WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF ROME, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

I am here today at the House of Christ. I can be spiritually closer to traumatized Ukraine. I can collect the prayers of all those who pray for the sacred cause of Peace.

For this reason, My Children, I am thankful, because at this time of the planet many situations must be tended to, and it is urgent for God that a celestial intercession may happen.

Therefore, when voices unite in prayer, I can intercede and, as the Mother of the World, I can once again open the doors of Heaven so that the Angels of Peace and Reconciliation may help the most lost souls, especially the ones that are in conflict and war.

Dear children, for this reason, I am here to irradiate My Love and My Light to the world, to say, My Children, to the inner worlds of God's Creatures, to stop and listen to the cry of the planet and of the displaced families due to war, hunger and migration.

How long will this go on for?

Therefore, My Message arrives to sensitize, still within the Church of Christ, all those who do not think about the refugees or the poor.

I hope, dear children, that before everything happens, more good souls may be capable of helping balance the scale of the Law with Me, because otherwise humanity will only be hurting itself, as it has been doing up to now.

I pray that destructive ideas on the surface of the earth may no longer exist, that no other bomb may be launched upon nations as if they were meaningless. No, Children, do not do this!

Be able to perceive how far evil can go. Repent and ask for forgiveness because there is little time left.

Let us pray that the little peace left on this planet does not disappear.

I thank you for being united to Me in prayer!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace.
