WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN NAZARÉ, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

In the Love of God, you will find the answer for every stage of life.

In the Love of God, you will be reborn as in each new dawn and you will find meaning in all of the experience you have lived.

In the Love of God, you will be healed, but you will also be freed from yourselves.

In the Love of God, there will no longer be any reason to act, think or proceed away from this Divine Love.

As a Mother, as a Mother who was on Earth and knew the human condition up close, I ask you not to let yourselves be embraced by your own imperfection; rather, let Love heal and redeem you, let the door of your heart always remain wide open. Never close the door of your heart.

Hold on to the Love of the Eternal Father and you will be reborn, liberated from the bonds and all the evils of the world will be dissolved.

In truth, I say to you, My children, that without Love you can never know reality in depth. Therefore, do not forget that you were created, at the Source, by a deep feeling of the Love of God.

So divest yourselves of that which you believe, that which you claim to be the only truth. Divest yourselves of that which you hold as your own.

It is time for My children to practice, in their own flesh, the Words of all the Messengers; for one day the end will come and you must be living in the Love of God, in the Love that is capable of going beyond yourselves for the concretion of a greater and universal good.

This is the key that I give you once again, the key of empty love, of a love free of convictions and ideas, of a love that is capable of sacrificing itself out of love for My Son.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Mother of the Greater Love.
