

## Prayer of Surrender to the Father

On [October 4, 2023](#), Our Lord said:

*Throughout the times, We have called you to live a state of perpetual and true prayer, while making sure that a day does not pass without praying, because the word of prayer will always guide you, even if you walk amidst darkness and tribulation. (...)*

*There are so many treasures that wait to descend from the Heavens, that humanity, enveloped in its own conflicts, does not even perceive that Heaven is above their heads.*

*Seek at night, in the great stellar firmament, your star of origin, and tell God:*

Lord, here I am,  
this is how I am.

I surrender to You in trust  
so that, through this imperfect life,  
You may reflect Your Love.

Amen.
