

Prayer of the Soul That Trusts in Christ

On [August 27, 2019](#), Our Lord transmitted the following prayer:

Lord,
live within my heart,
dwell in each part of my being
so that You may feel free to work and carry out,
through my consciousness,
Your great Work of Mercy.

Jesus,
do not allow me to separate from You.
Do not allow me to lose Your luminous Path,
because if this happens, Lord,
I will feel lost.

Take my hand and guide me
to the House of the Celestial Father
so that I may feel within Your Kingdom,
and stand before Your Sacred Presence.

May my devotion for You, dear Jesus,
open the doors toward finding You, at each moment.

Let each aspect of my being be redeemed
by Your precious emanation of Love.

Make of my consciousness
a true representative
of Your worldwide Work.

May I not fear to testify
to Your blessed Name.

May I not fear to embrace the cross
that You gave me,
to carry it with absolute bravery.

May I not fear, Lord,
to announce Your Return to the world.

Jesus, let me feel
the caress of Your Hands and
the paternal embrace of Your Heart,
and, in this way, I will remain in trust, although in these times

I may be going through deserts,
abysses and the mirage of consciousness.

Help me, Jesus,
to perceive reality, and,
do not let me deceive myself.

Give me a brave, loving and helpful spirit,
capable of carrying out Your majestic Work
anywhere and in any situation.

Lord,
make me free of myself forever.

Amen.
