

Prayer to the Holy Chalice of the Lord

[On April 16, 2025](#), Our Lord taught us a new prayer:

Friar Elías del Sagrado Corazón de Jesús: *"Before the Holy Chalice of the Lord and the sorrowful Crown of Thorns, which He presents to us all as Spiritual Relics, let us pray together this prayer, which Christ has taught us, imploring, before the Sacred Heart of Jesus, that by the merits lived in His Sorrowful Passion, and by the codes kept in each one of His Relics, pardon in this world and the end of injustice may be achieved."*

Oh, Holy Chalice of the Lord!
unfathomable spring of forgiveness,
placate the injustice of this world.

Amen.

The Voice of Christ Jesus: *May the Sacred Relics of My Passion justify the errors of the world, so that all evils may be dissolved from human consciousness and from the planetary consciousness.*

Joyful and happy will be those who, living in Christ through their works and mainly through their prayers, daily contemplate the Relics of the Lord, as a symbol of redemption and Light for the world, and also for the impossible causes."
