APPARITION OF THE GLORIFIED CHRIST JESUS IN SÃO CARLOS, SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, DURING THE 26th MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

Purify yourselves and do not fear, for the time of your freedom is near.

I Am the Sacred and Glorified Heart of Jesus, the Source of Grace for the world, the Spring of Truth for souls, the Renewal of spirits, the Path of return to God. Live in My Sacred and Glorified Heart.

I Am the One of yesterday, the One of today and of always. All begins in Me and ends in Me for those who live in the law of My heart.

I come to free you from this captivity. At this time, I come to untie your bonds, to remove the chains from your hands so you may walk toward My Sacred Heart.

My Spirit is pure and glorious. Happy are they who deign to receive Me, for they will know Me and will know Who I Am in essence; for I Am that kind and compassionate Heart that died on the Cross for you and had you be reborn in life, to the life of the Spirit, the Sacred Spirit of My Father.

After so much time, I return to find you again, for you must surrender your talents to Me. In this crucial time of the world, I come to awaken the talents that are sleeping, so they may be at My service.

I come to announce this truth to you for I need you to be seekers of that truth and that your prayer uplift you, so you can discover new things that do not dwell in the reality of this world.

I am inviting you again to the Kingdom of God; this is My direct invitation to all. And despite having to pray for your shepherds, for all those to whom I entrusted My flocks, you must pray always with Me, for you can have a direct connection with My Heart.

United with the Celestial Father, you will find your mission when you unite with My Merciful Heart and in this life, look for the truth of what you are, which you have not yet discovered because of all that surrounds you in the world. You must leave that reality to be able to meet with Me.

I am present in those in need and in all those that are in need of strength to keep moving forward. My wish is that you not only be able to find Me in joyful hearts, but also in hearts that suffer alone.

I come to heal your spiritual wounds with the perfect balm of My Merciful Heart, and although you do not understand what this means, I allow you to drink of My Source so your bodies may be washed and purified, and in this way, receive the balm of renewal, a perfect gift of the Holy Spirit that will rebuild your lives forever; as long as you do not forget Me on the paths you travel, for I have knocked on your doors, the door of your hearts to be able to enter and commune with you.

Thus, today, on this holy day, where Mercy allows this meeting, I come to remind you of that commitment to Me, of returning to My Heart, of seeking the dwelling place of My Heart, of finding My Divine Spirit and of returning to commune with My Consciousness, which gives of Itself in this offering for the salvation of the world and the releasing of evil, the evil in all of the planet.

While you follow Me, the doors of Hell will close. While you deny Me, the doors of hell will remain open.

I came to die for you; I was nailed on the Cross for you, as you are one humanity that from the beginning has been learning. But it will no longer be necessary that you live in suffering, and although the majority of souls have chosen it, I come to give you an opportunity so you may rehabilitate your lives and they become redeemed around My Most Sacred Heart, to commune again in this perfect supper with the Great Consciousness of God.

Open your eyes, companions, quiet your minds and feel again My beloved Heart, which is a lover of souls that strive to look for their own redemption, of souls that are obedient to the indications they receive from Heaven, of souls that awaken to spiritual life because never before have they found it.

I bring you an awareness of the Celestial Universe through My Sacred and Glorified Heart.

Through My Sublime Grace, I give you the opportunity to come to know the Kingdom of God, something that is non-material to your eyes, because it is a Kingdom that lives in the Heart of God, where all good souls assemble to merge their lessons, after this terrestrial life.

In this way, I tell you, companions, that the Paradise of God exists and is not an illusion; it is a truth that beats in the Heart of the Celestial Father. I invite you to return to that Paradise, before My Return to the world, because in the second Coming of Christ, I will come to take you to Paradise.

Thus, you must be prepared, purified and clean. Your feelings must be pure, your minds must be still in order to hear God rather than listening to My adversary; for whomever is in My Divine Mercy will not fear anything; you will have the strength of My Christic Spirit for continuing onward as My apostles, just as the twelve followed Me in the past, which over the ages, allowed My Words of life to expand throughout the world and that, through My Passion, for My Passion and everything that happened in the Passion, today I was able to be here among you, assembling you in the cenacle of My Heart.

Let My Words be vibrations in your lives, and your hearts be filled and be freed from all pain.

I Am your Redeemer and Savior. I come to resurrect your lives, which are dead. I come to stretch out My Merciful Hand to you for the last time, so souls may rise up from the ground, leave the abysses of the material life and regain the path to spiritual life through prayer of the heart, that sacred instrument My Mother taught you.

On this afternoon of Mercy, in which many souls in the world are gathered to listen to Me, My omnipresent Spirit carries peace to the four corners of the planet, withdraws impure spirits so souls may aspire to a spiritual life, reignite their hearts in God and find again the path they have lost.

Again and again, I called you. Now, I call you to wholly be with Me, that you feel My Consoling Heart, My Glorified and Living Heart, which comes in this end cycle to give you Its last call, in the Apocalypse that has already begun.

Be in likeness to John the apostle, My beloved son. Be in likeness to all the saints, men and women, who in My life, assembled in My Sacred Heart to follow this path of conversion toward peace.

Through your lives, I awaken the instruments of God, and in this way, I can carry out My works, so important in these times. If your hearts open to My Heart, in truth I tell you, companions, that you will be able to help Me in this defining hour, so the greater part of humanity may awaken from this lethargy that never ends.

When you feel pain, seek My Heart.

When you feel tormented, seek My Heart.

When you have no strength, seek My Heart.

When you feel fear, seek My Heart.

When everything seems lost, seek My Heart.

When you have no hope, seek My Heart.

When you lose your peace, seek My Heart.

I Am your Heart, I Am Who I Am from the beginning.

Trust in Me, Revere My Most Sacred Heart; adore It.

Confess again in the name of God, so your hearts may be clean to receive Me. I hear you in the silence of the heart. When a heart confesses, it is like an opening rose.

I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

Having confessed, you will now live the Sacraments. It is the union that your hearts can have with My Heart, it is the direct path toward My Spirit, in this time of redemption.

Friar Elías del Sagrado Corazón de Jesús:

Jesus will bless these elements for all of us, in union with His Spirit and His Mercy.

The geranium oil is the oil of resurrection.

The young people are the project of the New Earth; in them we must place our protection and confidence. Today, they will make the offering of My Communion to please My Heart and bring it peace in the times that will come.

Let the Marian Centers prepare to carry out the same offering.

Let the priests and sisters stand close to this altar.

Prayer: Our Father (2 times in Portuguese).

In the name of the youth of the world, we make the offering to the Heart of Jesus.

Prepare so that, through this Communion, the codes of My Most Sacred Heart be radiated to the young people of the world, who are the foundations of the new era. Lift up the offering to My Heart.

Holy God,
Mighty God,
Immortal God,
have pity on us and the whole world.

Amen.
(3 times in Portuguese)

Once again, I bless you in the name of Peace and remember that you can be part of My Sacred Family in perfect union with My Heart of Love.

I thank those who pray in the world for having responded to the request of My Celestial Mother.

The Holy Spirit guides you, at this moment, on the best path possible, the path toward Peace.

I thank you.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Sacred and Glorified Heart of Jesus, I trust in You.

While I rise up to the Kingdom of My Father, where your true dwelling place is held, the angels of Heaven, in the name of the Father, will follow this moment of union with Me through the Sacraments.

Let us sing to Adonai. Let us sing to God.

Friar Elias of the Sacred Heart of Jesus:

Melodic Kodoish.

Let us repeat with Jesus, as He rises:

Holy, Holy, Holy is the Lord of hosts.

Amen.
