Apparition of the Glorified Christ Jesus in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús for the 81st Marathon of the Divine Mercy

In the name of the Father, the Son and the Holy Spirit. Amen.

I have come in a moment when humanity is still hurt. I have come in a moment when everything seems to be lost, when the faith of many of my companions in the world weakens, in a moment when nothing makes sense. I have come at this important moment for humanity, although it is difficult for millions of souls in the world.

Through My Heart, I bring you the presence of the Heavens and the Universe so that you may notice and feel that I am here with you, even though the moment of My Return to the world has not come yet.

I bring you everything that each one of you needs at this moment. This is not material or even spiritual, it is something profoundly internal that is deposited in each one of your essences so that you learn, as I have said, to go through the end of these times. The peak has not yet come and you can see that.

It is time to follow, with much obedience, the divine Law, so that each one of your souls may be protected under the Love of God. It is time to multiply the love in the hearts that suffer the most because this is the scene of the end of times, humanity does not know how it will conduct itself.

Because of this, I offer you, at this moment, the divine Laws of God, from the known Commandments of Moses to the new Commandments that I have brought to you through the years, which I call Beatitudes.

I need you to apply these rules in your lives because this way the essence of humanity will be protected, even if the majority do not do so and do not comply with this. In a small proportion of the human race, these rules and Commandments will be fulfilled and will push other hearts and lives to not only reach the beatitudes but to also persevere in faith and in trust in God.

If God were not with His eyes upon this planetary moment, he would not have sent His Son this afternoon. What sense would it make for this humanity?

The Love of God is above all things and all situations, the souls must turn to God at this time and this can not take long. Because it will be in this Love of the Father that your lives will be renewed and thus you will renew everyone around you.

What are you waiting for to do so? The door of the great summoning is still open so that the souls may be driven to live the apostolate of Christ at the end of these times, through the impulses and the gifts that the Holy Spirit brings.

Attention, companions, listen to what I am saying because they are not just a few more words. I

need you to be aware that My task with you is coming to an end. And when this happens, you should give testimony and lead by example that I have been here, just as I am in each one of your hearts every time you allow Me to be so. Because that is where the truth will prevail, and the wisdom and the understanding that you need in these times.

Even if the planetary situation seems difficult or impossible to reverse, do not lose faith, renew your vows and commitments with the Eternal Father. He also has the Fountain of His Divine Mercy open, His Ocean of Love and Mercy is empty. Everyone is invited to submerge in this Ocean of Love, an immaterial and eternal Love.

Today I am at peace because of your response to this meeting of prayer, because you realized, by yourselves, that it is necessary to pray, pray and pray so that a new opportunity may descend to the world, beyond what the Earth and humanity must purify.

With everything you have learned from Me, companions, live your apostolate consciously, may it not be a theory, but a practice. May you be able to go beyond yourselves for humanity and the planet, may you make the Love of My Heart triumph in the world and upon those who suffer the most, in the great solitude of these times.

I will always come to fill you with everything you need. My Love has no end or shape. Therefore, I am here, as a response to your commitment with Me, knowing that this is the time of the great decision.

Jesus has just opened the Book of the Wisdom of God and a very strong Light came out of this Book, where the Wills of God are written. Let us contemplate it and recognize it, to understand and comprehend why Jesus has brought it.

The prophets and the great patriarchs knew something about this book which is in My Hands today, the Book of the Wisdom of God, that which humanity must achieve to realize that not only must it be redeemed, but also, it must reconcile with the Original Project that has created it. As long as this does not happen, there will be hard times. But they will not be times that last forever, because I will come, I will return and, within My Hands, I will bring this Sacred Book of God, just as the angels will bring the Ark of the Holy Covenant.

The Great Revelation has not come to the world yet. My true Face was only known by a few of My Apostles and you know this. When My Face soon reveals itself to humanity, everything will happen. I do not speak of chaos, catastrophes or even of suffering, I speak of the great moment that each one of your lives will have before My Eternal and Cosmic Presence.

Because at this moment and at this time, when each one of you will be before the Gaze of God, to give Him a definitive answer. And for a few seconds, the entire world will be aware of what they have done during their lives; the whole story of their incarnation will pass through their minds, they will recognize each one of the scenes, and they will be before their judgment.

But at this moment, the Blessed Mother, the Virgin Mary, will already be praying, not only for the whole world but for each one of Her children, under the authority that the Father has given Her as a Faithful Servant. She will send many of Her angels to inspire the souls and strengthen them in this decision.

It will be at this time and this hour that God, before His Son returns to Earth in glory, will open the Book where the Will for this planet is written. For a moment humanity will be aware of it, but also of all its sins and mistakes made throughout times, as well as the aggressions toward the Kingdoms of Nature.

Many hearts will feel the cry of the center of the Earth. The depths will open and the hidden will be shown. And then, before this vision and this consciousness, God will show His Face to those who will know how to recognize it and love it, and before the archangels, their souls will be able to write within this Book the answer that God has so long awaited for.

The world will seem lost because of its illusion. Hundreds of shooting stars, great consciousness of the Universe, will descend to the Earth, and everyone will recognize them, even if they do not know their origin.

God, before His own Will and the culminating moment of the planet, which is not far away, will prostrate Himself so that the Source of the Supreme Divine Fountain may humbly grant a universal Grace to the planet and to all Creation, and everyone will hear within themselves the Echo of the Father. And even the most closed heart in the whole world or the biggest atheist of humanity will also hear this, because God will grant His last Grace for the souls, the hearts and the people, so that they may reconsider their lives and surrender themselves, this will be the hour of My Return to the world.

Everything that I give to you today are not only My last words, but also my last revelations, because there is still a part that humanity cannot know them.

Treasure these moments. Honor these meetings, because you will need them.

God sends me to the world to raise it up. It is urgent and necessary so that the prophecy of conversion may be fulfilled.

I come to ask you, once again, for the repairing Communion for each day of May, especially the spiritual Communion, so My last impulses and words may embrace more people throughout the world. There is still a part of humanity that must know that I am here to receive you, to hear you, to absolve you and to give you My Mercy, the one which will restore and heal your lives.

All the souls who have died, through this pandemic in these recent days, have found a place in the intermediate planes of consciousness, where they no longer suffer, because your prayers, on this day, have achieved Mercy for each one of them.

Even the deepest Mercy of My Heart continues acting by means of the Easter that happened this year. And even though a few weeks have passed, the Source of My Mercy is open for souls to plunge into the ocean of My Love. We are in the time of the last reprieve, value it.

Let us celebrate this moment with the joy of finding the Truth, the Way and the Life. Let us offer this moment to repair the Heart of the Eternal Father, offering each one of the prayers and songs for this current planetary situation so that the Grace of healing and science may inspire the scientists and doctors in the world to find the answer for this situation.

Incense.

We can bring the altar.

"Lord and God of the Universe, Who listens to the prayers of Your children, who renews and consecrates the souls and the lives of people; serve Yourself, Eternal Father, of this moment, so Your fathomless Mercy and Love may descend to the most needed places of humanity. Amen".

May God grant the Grace, at this moment, of us deeply living this Sacrament, so that more Graces and impulses of Light arrive in all hearts through this offering of the repairing Communion and the spiritual Communion with our Lord.

We invite you to stand or kneel.

May the legacy of Love, Eucharist and the Blood of Christ fill, as a balm of Light, humanity, and our planet. Amen.

When I was gathered with the twelve, just as I am gathered with each one of you, beyond the distance, I make you unify to Me so that you may be unified to the Father and also to the Holy Spirit, Who works at this moment through its Gifts and Gratitude.

I took the bread, raised it, and gave thanks to the Father for what He was offering Me. Afterward I broke it and gave it to the apostles saying: Take it and eat of it, because this is My Body, which will be delivered by humankind for the forgiveness of sins".

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless you.

We praise You, Lord, and we bless you.

Amen

I took the Chalice, and making the same offer from My Heart, I offered it to the Father so it could be transubstantiated. Then I offered It to the apostles saying: "Take it and drink of it, for this is the Chalice of My Blood, the Blood of the New Covenant, which will be poured out by humankind for the forgiveness of sins. Do this is My memory".

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

Amen.

The Body and Blood of Christ.

Be happy, *our Lord said*, to those who are called to serve from the Lamb that was slain and

resurrected to give you eternal life, life in abundance.

Let us pray the prayer that Christ has taught us, to consummate this consecration.

Our Father

Our Father (we repeat in English).

May the Peace of Christ descend to Earth and may it be within each heart.

We announce Peace.

Lord, I am not worthy that you should enter under my roof, but only say the word, and I shall be healed.

Lord, I am not worthy that you should enter under my roof, but only say the word, and I shall be healed.

We repeat in English.

When I no longer come to the world to speak to you or instruct you, you will have My New Gospel to find comfort and strength, but especially, you will have My Body and My Blood, to feel Me, so that you can renew yourselves.

In the Beatitude of the Grace of God, this afternoon, I bless all those who share this moment with Me, which I have engraved within My Heart, as a fire of love for each one of the brave and persevering hearts. I pour My trust upon them.

I bless you and I thank you. May peace be on Earth so that peace brings healing for all humanity. So be it, in the name of the Father, the Son and the Holy Spirit. Amen.

We end this transmission thanking our Lord Jesus Christ and everyone who is present.

To end this transmission, let us give thanks:

Thank you, Lord, for all that You give us. In this meeting, we honor You, Lord.

Amen.
