APPARITION OF THE GLORIFIED CHRIST ON THE FOURTH DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Friar Elías del Sagrado Corazón de Jesús:

We will say a prayer that Christ is dictating to us at this moment, to accompany Him in His task of today.

In the name of the Father, the Son and the Holy Spirit. Amen.

Christ is teaching us this prayer, we will do it phrase by phrase:

Oh, Holy Chalice of the Lord!
unfathomable spring of forgiveness,
placate the injustice of this world.

Amen.
(three times)

Before the Holy Chalice of the Lord and sorrowful Crown of Thorns, which He presents to us all as a Spiritual Relic, let us pray together this prayer, which Christ has taught us, imploring, before the Sacred Heart of Jesus, that by the merits lived in His Sorrowful Passion, and the codes kept in each one of His Relics, pardon in this world and that the end of injustice may be achieved.

Let us pray together:

Oh, Holy Chalice of the Lord!
unfathomable spring of forgiveness,
placate the injustice of this world.

Amen.
(eight times)

May the Sacred Relics of My Passion justify the errors of the world, so that all evils may be dissolved from human consciousness and from the planetary consciousness.
Joyful and happy will be those who, living in Christ through their works and mainly through their

prayers, daily contemplate the Relics of the Lord, as a symbol of redemption and Light for the world, and also for the impossible causes.

Today the Holy Chalice of the Lord receives, within itself, the offering of all followers of Christ, and the sorrowful Crown of Thorns is contemplated by the holy angels present here, so that, through them, souls may also receive the offering of sacrifice, so that the Will of Our Father God may be fulfilled, in accordance with what He wrote at the beginning and especially for the end of these times.

The Sacred Chalice of the Lord is a living testimony of the triumph of the Love of Christ through each drop of Blood that was shed in the Sorrowful Passion of the Lord; Divine and Eternal, Spiritual and Sublime Blood that has been kept by the angels of Heaven to be deposited at the end of these times in those who have been called to prepare the Return of Christ; not only so that they may be purified, by the Precious Blood of Jesus, from all their imperfections and traumas, but also so that, through this Most Precious Blood, an evolutionary code of life may continue to consecrate souls to spiritual service for the Creator while they are incarnated in this world and until the end of their days.

Therefore, I bring today this Holy Chalice of the Lord, which, each time it presents and manifests itself to the souls of My companions, the angels make themselves present to hold and guard these Divine Relics, which were witnessed by the very surrender of Your Master and Lord in each passage on Earth, in each experience, in each moment shared, as well as in each miracle that was offered and granted.

Today the Holy Chalice of the Lord opens to receive the offering of the children of God, so that they may deposit their purest and truest intentions, and so that, once this is consummated, it may placate the errors that are committed in this world and in humanity, so that the power of the Love of Christ may triumph, and this Love, which is alive and invincible, may be an inner sign, a seal engraved in the hearts that live through Christ and for Christ.

While these Sacred Relics of the Chalice and of the Crown of Thorns are here, the world is being radiated upon from the spiritual plane, so that the retrograde forces may be paralyzed and stopped, and the Eternal Light that comes from the Pure Heart of God, through the Presence of His Beloved Son, may dissolve the deepest darkness of the planet, a Grace that is conceded and granted by those who are present here today, by those who trust in Christ.

In this way, the plans of evil are deterred, the gates of hell are closed, because it trembles within themselves, before the presence of the Christic Love of God.

At this moment there was a pause due to technical issues with the microphone and then Christ transmitted His Words again.

By the intervention of the Sacred Relics of Christ, and mainly through the honest offering of hearts, which once again have made themselves present here, and also from a distance, to listen to the Word of the Lord, the Word of liberation and redemption.

While these Sacred Relics are brought from Heaven through the presence of the guardian angels, the forces of evil tremble, because they cannot fulfill their plans.

It is the Christic Love of the Lord that vibrates in the human heart and in the soul, that opens the door of your beings and of consciousness so that you may receive the His sacred impulses of elevation and transcendence.

For this reason, I must tell you again, companions, do not fear the times of darkness, because the times of the Light and of the triumph of the Return of Christ will come, the triumph that must first live in your hearts as an example of love and service for souls.

While the Sacred Relics are present here, I want you to be able to meditate and internalize what these two symbols of Christ mean at this planetary moment and mainly for your souls, because it is not the first time that, during a Sacred Week, the Lord, through His angels and by a celestial order, presents the Sacred Relics of Christ to convert, in hearts, that which still has not been converted, to redeem in the souls that which has not been redeemed, and to transmute all that opposes My Plan.

Thus, humanity is also helped and receives this inexplicable Grace, because it is an unknown Grace that you cannot measure with your thought, but rather with the true intention of the heart and of the soul, which do know and perceive the Lord, because it feels Him when the heart opens up for that.

Today I will again answer some of your intentions.

May the Sacred Relics grant you the understanding and wisdom that come from the Love of God and from His greatest mystery, kept in His Divine Essence.

Q: Christ, what can I do for the salvation of the souls of my children and of my husband?

A: Take the example from Sainte Monica.

Q: Oh, my Jesus, I would like to know what my talent is.

A: Overcoming.

Q: Sweet Jesus, Lord of my heart, I am fulfilling in everything Your Holy Will?

A: Yes.

Q: Beloved Lord, how to break the shell of the difficulty and perceive and feel sublime and spiritual things?

A: When you do not doubt Me.

Q: I am concluding my Master's Degree. Should I study for the doctorate? What is my mission? Is it in Education?

A: Yes, to help save the values of the world.

Q: Pardon me, Jesus, I am under a test. Can I continue as I am or do I have to renounce?

A: Renounce being a victim of yourself.

FrIar Elías del Sagrado Corazón de Jesús:

Jesus said that this question is a higher one:

Q: What is the resurrection?

A: To return to life through the power of love. It is love that grants the resurrection, there is no other explanation.

FrIar Elías del Sagrado Corazón de Jesús:

Here, said Christ, someone left two questions and it was supposed to be only one, but He will answer.

He is smiling.

Q: A) Am I fulfilling Your Designs?

A: If you ask it is because you do not feel it. Why would you ask if you were fulfilling them?

Q: B) What should I do to fulfill them?

FrIar Elías del Sagrado Corazón de Jesús:

He said that it sounds like Peter asking Him.

A: To do what is written for your incarnation.

Q: Christ, I give you my voice so that you may heal it and consecrate it. What must I do?

A: Sing.

FrIar Elías del Sagrado Corazón de Jesús:

This is a serious question, said Christ:

Q: Master, a physical illness of the heart, does it represent a transgression of the Law of Love? How to overcome or heal it?

A: This, said Christ, depends on each soul. Not all go through the same experience, being sick in the heart does not mean lack of love, but rather means the endurance of the lack of love in the world, and the lack of love, said Christ, among brothers and sisters. There are souls, said the Lord, who offer themselves for this. But it is not easy to endure it.

Q: Lord, many years ago, the Divine Messengers told us that, just as we have a Mother in Heaven, we have a Mother on Earth, Mother María Shimani. Something vital is missing for us. Can the Mother return now?

A: Only when she acknowledges what she did.

FrIar Elías del Sagrado Corazón de Jesús:

Christ is not punishing the Mother, but this is rather a lesson of Love for all.

It is important to become detached from this, said the Lord, to understand the essence of this learning.

Any return or any opportunity depends on an honest step, and He is waiting for this.

Here I do not understand the handwriting, but I will try to understand the question:

Q: The person asks the Master how they can dissolve the pain in their heart for their family.

A: Christ said that it is not by suffering for your family, but rather by loving your family even in the smallest details. This allows the transformation of life and grants a Grace to consciousnesses.

The last question:

Q: Lord Christ Jesus, will I be incarnated to witness Your Return?

A: This is the least important, what matters the most is that you be present where you have to be present, without hiding from anything, because this grants the trust from God for the service that souls have.

May the Holy Relics of the Passion of Christ transform and consecrate hearts for the glory of God.

In the name of the Father, the Son and the Holy Spirit. Amen.

FrIar Elías del Sagrado Corazón de Jesús:

At the request of Christ, we will ask the brothers and sisters from the choir to intone the song, "The Power of the Blood," and we will call here, to the scenery, sister Melkame, from Ethiopia, who lives in the United States, from Ethiopia, to receive, as she deserves, the consecration as adorer, which

the Lord wants to give her.

And we will say a prayer for the consecration of this sister as an adorer, offering this consecration to the Heart of Christ for this spiritual task that the soul of the sister assumes at this moment.

Let us pray together to the Celestial Father:

Celestial Father
who leads us all,
accept our offer of surrender to You.
Guide us through the path of love
so that Your Will may be done.

Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

And let us prepare for the Spiritual Communion.
