APPARITION OF THE GLORIFIED CHRIST JESUS ON THE FIFTH DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Behold the Lord of Judah, the One who rules the tribe of eternal wisdom, who opens the doors to higher knowledge and, through the Word of Life, transforms hearts, anoints lives and consecrates souls.

Behold the Lion of Judah, the symbol of the Spiritual Government of the Father, which impels the fulfillment of His Law and of His Truth, igniting in each being the Flame of the Triune Spirit, so that all may walk along ascension, in the incessant search for infinity, for what is known as inner origin, the door that opens for the awakening of consciousness, for the transformation of forms, of planes and the ether, for the establishment of the Law that is nourished by the Divine Spirit of the Father and by the Ruling Center of His Cosmic Love, Incandescent Flame that illuminates all and transforms all, that renews all and pacifies all.

The Lion of Judah is one of the representations of the Government of the Eternal Father, one of the most sacred intentions delivered to the very hands of the archangels, so that His Project and His Will would be fulfilled, just as it was with My Incarnation in the world for this entire universe and beyond it.

Today I want you to be within this sacred consciousness, so that everything may be sublimated with the energy that the Love of God grants in souls, with the impetus that the spirit provides for self-surpassing to be experienced, by climbing a step of Light at a time, so that you may feel secure in the steps that you are taking in these times.

Behold the path of the ascension of life and of the transformation of the human condition, impelled by the Law of Grace and of Mercy, which anoints and consecrates God's creatures so that they may be alive in the Father and may feel part of His Kingdom, while still living on Earth; because it is the soul that can live in Heaven, although it is on Earth, it is the soul that can mirror for your lives the Graces and Treasures of God, which are incalculable.

Within this consciousness of Love and Wisdom, I summon the blessed children of God to commune of the presence of the Lion of Judah, so that this and other tribes may be renewed and repaired, thereby preparing the stage of the planet and mainly of the inner worlds for the announced Return of Christ.

And as a testimonial that all this will take place, I have left to you the legacy of the Holy Eucharist through My transubstantiated Body and Blood, so that, whenever it is necessary, whenever you can do it, you may return to the Blessed Sacrament of the Altar to have a new inner and spiritual contact, by means of the Eucharist, with the impulses that I have left to prepare souls and spirits for the Return of Christ, as each one must fulfill a part of this preparatory path of the Lord.

For this reason, I come here to leave the signs of Truth, in the symbolic and eternal representation of the Lion of Judah, of the King of Kings.

Thus, in this consciousness of Wisdom and Love, you can also come into direct contact with the consolation of God, which was what also prepared the heart of My apostles in the past, so that they could live in service of the Plan.

I want the symbol of the Lion of Judah to be the symbol of the reparation and restoration of your consciousness, so that in life you have clarity in your decisions, peace in your learning processes, calm in your conflicts. Because when the Love of the King acts, everything can be transformed, by just opening the door for this to happen.

Today I come here with this teraph of the Lion of Judah, so that you may contemplate it in your hearts and know that in Christ is the strength, the truth and the life, which help consciousnesses to live in peace the path of redemption; because My Love will only elevate you until you can attain the transcendence of your own miseries and even of your own judgments, because in the Love of Christ there is no division, there is only the sacred expression of eternal unity, which is the one your eyes must be observing and contemplating today, just as My Eyes contemplate the Sacred Unity of God.

Bring Me here the basket with the questions.

Q: Beloved Lord, how can I wash Your Feet, rather than You wash mine?

A: With examples of charity and love.

Q: Beloved Lord: what else can I offer to You for the conversion of the person for whom I pray every day?

A: Do not lose faith.

This is a lofty question, said Christ:

Q: What is the meaning of true unconditional love?

A: It is that you surpass Me much more in what I did for you, to the point of renouncing your own convictions and beliefs.

Q: Beloved Lord, I know what afflicts my personality, but what is it that afflicts my soul?

A: What your personality might be doing, without your realizing it.

Q: Who am I, and what do You want from Me, Lord?

A: That you take your cross and follow Me, and serve the poor.

Q: How can I remain firm so as not to fall into the same temptations?

A: Do not believe in the temptation.

Q: Beloved Christ, what must I do regarding my brother Luis? Thank You.

A: You must help him to the extent that he allows you to.

Q: How will our prayers and the prayers of other groups be able to avoid the announced chaos, which could extinguish life on Earth?

A: By believing in prayer.

Q: Christ, do You need to tell me anything that I cannot perceive internally?

A: Watch over your irascible temper.

Q: Beloved Jesus, what can I do to have a meek and humble heart, similar to Yours?

A: Do not react, but love.

Q: Master, You Who profoundly knows my being, my imperfections and my current state, what is the next step that You expect from me?

A: Do not stop.

Q: Master, how to break apart from the ego and live the love that You ask of us?

A: By living love.

Q: Jesus, will we someday come to be worthy children of God?

A: If you ask, it is because you do not believe; when you believe, you will never again ask.

Q: Jesus, help me forgive. I cannot manage, I was slandered, and the Lord knows my heart and knows the truth.

A: When you cross this door you will no longer feel this. The just will be honored and the unjust will be transformed.

Q: Lord, in this end of times, where should I be and what should I do?

A: You must be and do what your heart dictates to you.

Q: Beloved Lord, sometimes I do not love myself, sometimes I want to die, disappear, sometimes it is too much. What is all this trying to tell me?

A: That your energy is in the wrong place.

Q: Lord, why is there so much disunion in my family?

A: Because the world is controlled.

This is a wise question:

Q: Master, how to unite what is separated? How to unite the hearts that confront one another? In gratitude and reverence.

A: Where love is not, I Am not.

A true question, said Jesus:

Q: Beloved Lord, what must I do so that Your Love may completely dwell in my being?

A: Surrender your heart to Me.

Complementing this previous question, Christ suggests that you read the life of Saint Therese of Jesus, Saint Therese of Lisieux.

Q: Christ, my right, correct place, is it to live as a resident in Figueira, or where I am, in social life, to follow a family life?

A: There are souls who have the destiny to form families.

Q: Lord, should I consecrate myself as a helper?

A: It only depends on you.

Last one:

Q: Christ Jesus, Master and Companion, the book that I wrote, is it somehow clarifying some minds that, out of ignorance, abuse their precious vital energy.

He did not understand the question.

These souls, says Christ, are precious because they do not ask, but rather give thanks:

Q: Beloved Jesus, forgive me, forgive me and forgive us, as well as most of humanity, who does not know about the immensity of Your Love. Thank You, Lord, for all the Graces that You pour out upon us. Thank You, Lord. Do You accept it, Lord?

A: Of course I do.

Friar Elías del Sagrado Corazón de Jesús:

Let us pray:

Lord,
may the advent of the New Race be fulfilled.
May humanity be able to express its archetype.
May the word be alive and build Your Temple.
That Your Mystery may expand within us
and true existence be revealed to the world
so that we may gather in Your Name
and glorify Perfect Unity.

Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.
