APPARITION OF THE GLORIFIED CHRIST JESUS ON THE SECOND DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

Now at last, I can be present in the hearts that love Me, and, especially today, in the hearts that adore Me in the Blessed Sacrament of the Altar.

How many miracles I can work in good souls, in selfless hearts, in the lives that surrender at My Feet every day!

For the main miracle in My Presence is Love, which nourishes life and nourishes the spirit, which brings spiritual bliss to the soul that consecrates itself to Me, in the faithful exercise of adoration.

This is what I come to seek in these times, and every time a new soul is consecrated as an Adorer of the Eucharistic Heart of Jesus, it is a triumph of the Kingdom of the Heavens on Earth, it is a soul in hell that is removed from suffering, just as the good thief on the cross was removed from suffering to enter Paradise.

See how simple is the power of the Love of God in that which can represent it in a humble and true way.

Today I come here with the joy and spirit of My Peace; because regardless of any consecration, it is the souls that must recognize and adore the Lord at the Most Holy Altar, in the living expression of the Sacrament, just as the holy angels of Heaven and Earth recognize and live Him, just as these elevated consciousnesses prostrate themselves before the Throne of God.

Thus, I place your souls before the Throne of the Father, not as a God of justice or severity, but rather as a God of Love and Mercy who today, through His Most Beloved Son Christ Jesus, opens His Arms wide open to welcome each one of His children, His creatures, all those who have the Grace of listening to the Word of God at this moment, so that their own human condition may be dissolved through the power of the Love of My Heart.

I promised you that the one who recognizes the Merciful Christ would be recognized as blessed in Mercy, which is the Law that I come to fulfill in this time of chaos.

I come to seek, in hearts, the conversion of life, soul and spirit, without suffering or agony; with the joy that each one has had to find again, in their own life, the Presence of God, not only through the Voice of the Divine Messengers, but also through the experience of the Living Love that each one among you can live day by day with your fellow beings.

Behold the Priest of God, the Eternal Love of the Father, present and alive, resplendent and inexhaustible, through the Sacred and Eucharistic Heart of Jesus.

Behold the angels who praise and adore the Thrones of the Father, who contemplate the Flame of His Love, eternal and divine, sublime and sacred, which mirrors itself today towards the Earth through the Heart of Christ and by the intercession of the Holy Spirit.

Oh, My beloveds! Just as it was with the apostles and the holy women, we meet again in peace, in the absolute trust that you must cross the portal to the unknown, to what is real and comes from God, your Eternal Father.

Thus, I come to lay upon you and through My Hands, the Sacred Flame of the Holy Spirit.

Friar Elías del Sagrado Corazón de Jesús:

Let us place our hands in a sign of receptivity, to receive the Flame of the Holy Spirit through the Heart of the Living Christ.

Oh, Beloved Spirit of God!
You flood and fill all life,
make sacramental Your children of the Earth
with the Sacred Flame of the Holy Spirit.

In each one of them, awaken
Your gifts and Graces, Your virtues and talents,
so that the awaited time of peace may be fulfilled,
in which all, Eternal Father,
here on Earth as in Heaven,
will enjoy the presence of the Kingdom of Heaven,
through the Living Return of Christ.

Make hearts peacemakers,
pillars of love and truth,
temples open to receive within them
all their brothers and sisters,
so that, in a spirit of fraternity and brotherhood,
suffering and doubts, uncertainties
and the lack of faith may be dissolved.

Oh, Sacred Flame of the Holy Spirit of God!
Descend upon the spirit of each child of Yours
and consecrate it to Your kindness and Mercy,
so that each human heart
may fulfill Your Sacred Will.

Amen.

Friar Elías del Sagrado Corazón de Jesús:

Let us take our hands to our hearts to commune of this immaterial Holy Spirit of God, which comes to deliver to us the strength of His Faith and His Love, to overcome all times and events, in the absolute trust that, through Christ, Our Lord, His Holy Will is fulfilled.

At the request of Christ, let us contemplate through our heart, at this moment, the presence of the Kingdom of God, allowing our souls to reveal to us this mystery, the mystery of the Love of God, which surpasses all times and forms, which opens the doors to the immeasurable and infinite Grace, the Grace of God that brings Peace.

So that some may have the spiritual help of My Heart to remove from their own hearts that which afflicts them, that which disturbs them or takes peace away from them, you will write a question to Me, which will be placed in a basket starting tomorrow and I will take the time, with all the Love of My Heart, to answer everything I can.

But be attentive, for My own Word, which is the Word of the Living God, will also respond to you, as a visible sign of His Loving response.

Is that acceptable to all?

Everyone respond: Yes!

It is always necessary to obtain permission to act. In this way is the Hierarchy, in this way it is in Heaven as it is on Earth.

I invite you now, in gratitude and attunement, to accompany, from your souls and hearts, the consecration of new adorers.

I want to grant them that Grace, because I know that they were waiting for it, and I will give it to them this afternoon by means of this simple consecration.

And to conclude, I will ask you for a moment of adoration of the Blessed Sacrament, to grant the world a spiritual atonement, in the face of the outrages, indifferences and omissions that take place in the world, so that a time of peace and inner harmony may be established.

Let us celebrate.

Friar Elías del Sagrado Corazón de Jesús:

Everyone concentrated, as Jesus is accompanying us.

We will close this moment of consecration by means of a simple prayer, the prayer to the Celestial Father, so that He may guide us through His Love and receive our offering.

Let us pray:

Celestial Father
who leads us all,
accept our offer of surrender to You.
Guide us through the path of love
so that Your Will may be done.

Amen.

Friar Elías del Sagrado Corazón de Jesús:

Thank You, Lord, for all that You give us.

In this meeting, we honor You, Lord.

And under the blessing of His Love and of His Light, we consummate this consecration as Adorers of the Eucharistic Body of Christ, as part of His Mystical Body.

In the name of the Father, the Son and the Holy Spirit. Amen.
