APPARITION OF THE GLORIFIED CHRIST JESUS ON THE EIGHTH DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

In the end of these times, I will be with My Heart exposed and My Hand of Light extended to those who want to take it. Just as Peter did, when, due to his lack of faith, he almost drowned in the waters and, as he implored My Name, I helped him and also helped the other apostles so that they would not fear, but rather, would have faith in Me.

I come at this moment, under this storm that you are going through, in which the boat seems to be adrift, when the planet seems to be shipwrecked.

I come once again amidst the great confusion of the night, the disturbance in minds, the lack of peace in hearts, to bring what I have promised to you: the Light of God and His Higher Love, which sustains and raise souls again to elevate them to God, to His Kingdom, all the way to His most Precious Dwelling.

This is the moment when each soul and heart is before its own unknown sea and ocean, and must walk upon the waters through its own conviction and faith, without fearing the unknown or that which it cannot control, in order to be guided by the power of faith and the inexhaustible light of the Love that I radiate to My own, so that they may dare to cross the unknown, what is not palpable, what is not known, what is not under any control or power.

Thus, I invite you, on this last day, to decide to walk upon the waters with the experience of your own walking and your own steps, following the footprints of Light that I leave marked upon the paths and upon the oceans, so that your consciousness may merge with the Presence of God the Father, knowing that after this learning process on Earth, the Paradise that was promised from the beginning of Adam and Eve will come.

Thus the times, planes and dimensions will unite again, there will be no doubt or confusion, for the clarity of God will come through His Divine Wisdom, to give understanding to the hearts that have persevered in faith.

And when this hour and moment has come, moments leading to My Return, all those who have persevered with Me until the end, will understand the reason and motive for having lived what they have lived, for having experienced what they have gone through, even those situations and lessons that would seem incomprehensible or unacceptable.

For behind each moment is the Love of God, His most silent and eternal Love, which sustains the soul that surrenders to Him in trust, who gives life to the consciousness and to the spirit through His Divine Spirit and who does not allow the soul that trusts in God, through His Son, to go astray in the abysses of the planet.

However, some are now walking upon the waters and, in a similar and anonymous way, have suffered the same that Peter, the apostle, suffered: they have doubted their own faith.

But I have come here once again, in an unexpected and surprising way, to teach you and above all to give you My Love, which is the only thing I have and the only thing I want to leave to you and give you; because since the beginning of the Creation of God, your souls and essences, and the essences and souls of your brothers and sisters in the world, arrived with a precious and internal treasure to be manifested, which you know as talents.

Make this talent that exists in each one of you shine, seek within you the revelation of this talent of God.

No longer enter into conflicts or arguments, value judgments or criticism. For in truth I tell you that you are wasting time, the time that is precious to Me in this final cycle of the planet. Because as I told you in the Gospel itself, I will return to the world without warning and without announcing, for the announcement and the warning have been made since the first times.

What will your attitude be like, in the face of this great event?

At what point will your own inner talent be, the talent that must be offered to the Celestial Father during the hour appointed for the Return of Christ to Earth?

I want you to truly look within again. Not within your miseries, but rather your treasures, which are the very treasures of God.

Each one has the gift of His Light in their heart; do not allow this gift and this Light to fade away; rather, let this inner Light of God shine within you.

Value what is spiritual, higher and evolutionary, taking the Law of Love and of Truth as the first foundation.

Today I will not answer more questions, but I carry in My Heart your concerns and intentions.

However, I come to respond to something for everyone, something that you already know, but that you imperiously need to remember. On this will depend the continuity of My Work on Earth, mainly through your hearts and lives; because I want all, without exception, in the dimension of My Christic Love.

I want to give the great response, and tell you to love one another, just as I love you at this moment. And so that this love that gives love and nourishes the spirit may become present, heal the wounds and reconcile beings, it is necessary to live forgiveness.

From today on, and for the times to come, I would like, when you give one another the greeting of peace, for it to be true; just as I will always give you My Peace, do not close the door to this for Me.

For this reason, My Heart is exposed today to you and to the world, and My Hand of Light extends to each one of you to touch you, so that, at this moment, you may receive My Spiritual Anointment.

Receive it.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

And thus, carry within you the sign of My salvation: the powerful Cross of the Redeemer, which the hells fear and there is no evil that can endure or resist. Because the sign of My Cross is the sign of the Living Love of God for souls, for all sinners.

May your sins be pardoned today so that you may be reborn in and for Christ, your Lord, in honor of His glory and His Kingdom, out of love for Our Father-Mother Creator.

For this reason, leave this Sacred Week with your hearts filled with the Love of God, but also with your hearts empty, free from any incomprehension or any judgment, clinging to the Love of My Merciful Heart and trusting in the promise of My expected Return, which is not far away.

But when I return I will knock on your doors, I will call at your houses, I will touch your hearts again, to remind you: the Lord your God, who is not of Justice, but rather of Mercy and Love, has returned.

Open the doors of your hearts so that the Lord, your God, may enter again the essence of your being and you may be part of eternal filiation, receiving, in bliss and joy, the Return of Christ. For evil will no longer exist, for the eternal and invincible Light of God will triumph, the Light that comes from the Heart of the Father, from His ruling center of Love, the inexhaustible balm for souls, renewal and joy for hearts, ennoblement for the spirits that believe and live the Word of Christ.

When you truly love one another, in truth I tell you that you will be free from yourselves at last, and you will no longer feel the weight of captivity, of duality and even of doubt, for the one who believes in the Lord, your God, the King of the Universe, will not perish, even if it seems that the waters are drowning them, that the storm is striking them, that the impetuous winds are knocking them down, or that any situation wants to dissolve the Love of Christ.

See the example of Saint Paul, who, in his great conversion and redemption, was converted, from a miserable man, into a new Christ; no one was able to take the Love of Christ from his heart.

Will you be able to prevent My Love, the Love of Christ, your Lord and Redeemer, from dissolving from your hearts?

In these twelve years of Sacred Weeks, I have delivered to you everything and a little more, but the time will come when you yourselves must render accounts to God and to the universe, just as all of humanity will have to do; for the time will come for you to decide to be My witnesses, that love comes first in everything, first in yourselves and then in others, for you must live in the nobility of My Love and in the sovereign Grace of My Spirit, which I come to share with My own and with all of humanity.

All has been said, all is consummated, now it will only depend on you and on your complying with My Will.

I thank those who do not fear the Love of My Heart, those who say 'yes' even during the battles, those who are at the foot of the cross as warriors of prayer and of Mercy.

May all hearts rise to Heaven.

May souls receive the greatness of the Love of God.

May the sons and daughters of the Father be anointed by His Spirit, so that the strength and power of Grace may grant them overcoming and the concretion of the Will of Christ, that they may be the Christs of the New Time.

May peace fill the spaces and renew all forms, especially the most hardened hearts.

My Love will always be here if you allow Me to. This is what I hope for.

I thank all those who have come here from very far away to listen to the Word of the Lord, just as you heard it on the Mount of the Beatitudes, in the multiplication of the bread and the fish, just as you heard Christ say on the Cross: "Father, forgive them, for they know not what they do."

May the awaited time of those who will be reborn under the Grace of resurrection be fulfilled, by the intercession of My Most Holy Mother, the Virgin Mary, and of the Chaste and Pure Heart of Saint Joseph, present today as witnesses of this moment, of the legacy of Love that was given in trust to each one of you.

Adonai,
I thank You for allowing Me
to be here once again,
with Your children of humanity;
for You created Me for this,
for Your infinite and invincible Love
to come to assist Your sons and daughters of the Earth,
so that all, as the people of God,
may receive the Grace of communion with You.

Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

The Master wants to delight His Ears through a song that everyone sings from their innermost core. He wants to listen to us sing: "You are the King."

And through this song, we will accompany the consecration of the postulants to male helpers in gratitude to Christ.
