APPARITION OF THE GLORIFIED CHRIST JESUS ON THE FIRST DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

What you do to the least of Mine it is to Me that you will be doing it. This is a rule and this is a Law that is fulfilled in Heaven and on Earth, in all life and in the inner world.

Opening the Seven Portals of the Creator, with hope I come here, to be with you and your brothers and sisters; for the single most important cause at this moment is that you may unite again through My Love.

This unity will become strengthened through the Love of Christ, because it is an inner and spiritual unity that has no forms, has no projects or plannings.

It is this very imperious unity that the world and humanity need, so that the Love of My Heart and the Love of My Eternal Father may be fulfilled in you, so that this Love may manifest itself in a living way in all that has been created.

It is this Love of My Heart that will renew you time and again, that will not allow you to stop at some point without being able to move forward; on the contrary, My Love renews and heals, My Love transcends and liberates everything that remains static and fixed.

Because the Love of the Creator is inexhaustible and grants the Graces that His creatures need in this time, to learn to go through the dark night of the planet, and mainly their own inner dark night.

But today I want you to place your inner gaze and your heart in these higher dimensions that I bring you, in which the resplendent ones, the angels and the archangels re-create these dimensions and planes of consciousness through the experience of love that each heart lives on this planet.

When love manages to place you beyond yourselves, when it causes you to overcome any situation or condition, keep well in mind and be clear that you will be helping the Eternal, Our Creator, to have this universe and this Creation re-created, to have the doors to evil be closed to all the perdition that they cause to humanity in all the conflicts that these uncertain doors produce and generate.

For this reason, in this very crucial hour of humanity, I ask you to decide, once and for all, to always live in this dimension of Love that I bring you today; because it is a Love that has no end, it is a Love that has no form, it is the resplendent Love of God, which vivifies and shines to the soul that lives it and in humility adopts it in its own heart as the First Law, to redeem and transcend itself and, above all, to be able to forgive and love much more than you believe you have loved.

Because while this does not happen and is not witnessed, the Wounds of My Hands, Feet and Side will continue to bleed, in a deep unknown silence that no one can imagine or think.

I want your joy of living Christic Love to emerge from My Heart. Because it was instituted and established in this world through the Sorrowful Passion of Christ so that, in this time and hour of the planetary Armageddon, you yourselves, with your own inner forces, with your own determination and faith, may put into practice this Love of the Redeemer.

Because what would seem to be unpardonable, can only be pardoned and liberated through the Christic Love that can dwell as a code of Light in your cells and bodies, because it is an inexhaustible and irrefutable Love.

Christic Love will always place you before a new lesson and a new test; and I know that, in this time, many feel they are being put to the test.

But will you, companions, immerse yourselves in the test or in Love?

Where is science in the face of all this experience and understanding?

In each meeting you have had with Me for more than ten years, I have brought you a new code of Light so that you may live and practice it at this moment.

Do not think that the end of times will come fifty years from now. This end of time, this cycle of Armageddon is now, and everyone is living and seeing it in this world.

But what will your attitude be in the face of all this planetary chaos?

What will your attitude be, in the face of your own dark night? One of lament, or of overcoming?

My apostles, during My agony in the Garden of Gethsemane, had to go through the same test that you are going through today, with the only difference that this time is quite determining and definitive, because it will not only place you but also the world in the possibility or not of being in the universe of My Eternal Love. And this does not depend on a miracle or on a phenomenon, it only depends on a true attitude.

Thus, you will not be dragged down by what happens, you will not be pushed and knocked down by the incomprehension of these times. Because the Flame of Love of God that lives in Christ and for Christ, and which can live in your hearts, is capable of transmuting and liberating any situation or form.

For this reason, I ask you to make the correct effort; do not become lost in what is superficial, do not become lost in that which is illusory.

This is the very decisive and definitive hour for your hearts and your brothers and sisters, that hour to continue on the path of the very cross that God entrusted to you with the maturity that the Inner Christ needs to live in this time, with the possibility of the learning process that your own Inner Christ can grant to you. But it will all depend on each one of you.

There are situations, companions, that cannot be understood, even those that take place on this surface of the planet, because this humanity has fallen many times throughout the times and still continues to fall into its own abyss; and We, as Hierarchies of the Light, come to assist all, so that everything may find its path of peace, harmony and love.

I want you united more than ever, and I still wait for this. Unity, as I have told you, is only born from love, from the possibility that each one has to imitate Me, just as I have taught you the path of redemption and peace. Because I need the Points of Light such as this one to be a mirror of the Consciousness of God, exclusively in the love that brings wisdom, understanding and truth, a mirror that can give another opportunity, even to the one who does not deserve it.

Because if I did it for you, just as I did for My people in Israel, would you be able to do it for Me?

Where is the answer to this mystery of the Infinite Love of God?

How is it that God Himself, through His First-Born Son, has allowed Himself to be humbled, flagellated, punished, and to die on a Cross?

There is no other cause but love, and I will not tire to say it until you live it.

Because many regions of the world, which could disappear, are waiting for help from this Love of God through the last apostles of Christ, who do not measure with a rod, but rather open their arms to welcome all.

I hope this comes to be fulfilled. I trust and pray to continue to have a place where I can speak and a place where I can enter, just as the Lord entered the Temple.

But the temple that I seek now is your hearts, rather than your minds. The true structures of the Plan of God are based on His Love and Unity. The fallen angel did not agree with this and for this reason he fell, do you understand?

A Plan was written by the Father for the end of these times, a Plan based on His Love, Unity and Light. And today I present it to you at My Feet.

What role will you have in this Plan of God that you still do not know? What piece will you be within this Plan of God?

What instrument will you become in the Hands of the Father?

He will not tire until you become instruments of His Love, because the Father is wise and He measures His impulses and His expressions, but He does not measure the granting of His Graces, because they are infinite, they are abundant when the human heart wishes to live in love. This is the only cause.

On this first day, I come to grant you an inner and true act of re-consecration to My Sacred Heart.

Friar Elías del Sagrado Corazón de Jesús:

Let those who can, kneel down, to make our offering to Our Lord Christ Jesus and to receive His celestial blessing.

Father of Love and of the Life
That You have created for one reason:

For the infinite and true cause of Your love,
Permeate, with Your sacred particles
of the Divine and Eternal Light,
the hearts that cry out for Your Grace,
Your pardon and reconciliation.

Oh, Beloved Eternal Father!
Opening My deepest cores to Mercy,
Infinite mystery of Love,
receive the offering of Your Most Beloved Son,
hear the supplication of My Heart
for all the hearts that wait for your Grace.

Bless them now, Adonai,
embrace them with Your Light and with Your Divine Fire,
heal and cure the deepest wounds and
liberate the souls in need of you.

Oh, Adonai, Beloved Father!
Let thirst for Your Spiritual Light no longer exist.
Anoint your sons and daughters,
just as you anointed Your Beloved Son in the Sepulcher,
so that all may have the Grace of spiritual resurrection.

Adonai,
ignite Your Light and dispel the darkness,
for the glory and triumph of Your Love.

Amen.

Friar Elías del Sagrado Corazón de Jesús:

Let us prepare to expand this offering to Christ, through the holy office of the Communion, so that the angels may be witnesses of this moment, just as the Father is a witness with His Presence, by means of His Consoling Love.

In the name of the Father, the Son and the Holy Spirit. Amen.
