TENTH SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, AT 7:30 AM, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On that Apparition day, the participants arrived in pilgrimage to the House of Prayer, and then, responding to the request, the group began to pray while waiting for the meeting with the Divine Mother.

After an hour of prayer, the Presence of the Divine Mother was perceived and the sisters of the Monastery of Eternal Faith intoned the song "Celestial Mother."

At 7:33 am, the Mother appeared, and Friar Elías stood up. After a few minutes of contemplating the crown of the tree, he gave us the following account.

Friar Elías del Sagrado Corazón de Jesús:

When the Divine Mother appeared in Heaven, there were three golden brilliant suns over Her, in a perfect triangulation, an equal-sided triangle. In the center of this triangle a golden cross joined with the letter M manifested; the cross was over the M. This symbol began to grow and expand through the area.

After a few seconds, the Divine Mother descended to the crown of the tree, accompanied by the Archangel Michael, who emerged from the triangle formed by the suns, which remained in Heaven. He took Her Left Hand and escorted Her in Her descent.

Now above the orange tree, they released Hands, and in the left hand of the Archangel Michael appeared a silver shield, at the center of the triangle of suns, engraved with the symbol of the letter M and the cross; there were also many small stars around the edge of the shield. In his right hand, Michael carried a lance.

Then, in the presence of the Celestial Mother and the Archangel Michael, some beings appeared who had experienced holiness and who had left great teachings for humanity. At the right of the Divine Mother, for a few instants, Saint Expedito could be seen, who greeted us and then disappeared. Immediately after, Saint Claire and Saint Francis appeared, who also greeted us and then disappeared.

The Divine Mother then asked that I look up and, through that symbol remaining in Heaven, in the middle of the triangle of suns (the letter M with the cross), an aspect of the Consciousness of God manifested. From the symbol emerged a great sphere of Light which positioned itself over the place where we were. I perceived that it came from a very high dimension and had descended toward us to fill us.

That image lasted several minutes, and afterwards, the Divine Mother walked over the three trees that are in front of us, and which also form a triangle, and over each of them She thrust a Christian

cross, and then thrust a fourth cross over this ground. It seemed as if, with this act, She was decreeing and proclaiming the presence of the Light over this place.

She then rose up, placed Herself in Heaven over the three orange trees, and with Her Arms and Hands completely open, intensely radiated Her Light.

A few moments later, remaining in Heaven, She showed us She was writing a book. She used a small palm branch to write with and did so in Aramaic.

Then the image changed again; She descended over the crown of the Apparitions tree, and at that moment, began to open the Heavens even more to Her left, to Her right and upwards.

She then asked that we stand up because She would carry out a radiation of Light to each of us and to the whole world.

In silence, everybody stood up, and with closed eyes, prepared to receive the Light of the Divine Mother.

After a few minutes, Friar Elías continued describing what he perceived.

Friar Elías del Sagrado Corazón de Jesús:

The Heavens are open and there is a lot of Heavenly energy. There are some angelic beings that play trumpets, and a sound can be heard like deep thunder, which resounds throughout the universe.

The Mother, at this moment, is surrounded by many angels, and Her Crown of Stars can be very clearly seen, very illuminated and brilliant; among the stars the word MIRNA HE can be read, also resplendent.

The Divine Mother appears with a light blue Mantle and wears a golden cloth belt around Her waist. While She prays, She looks at us with great compassion and says:

Feel and listen to My Voice; I Am the Divine Conception of the Trinity.

At that moment, and at the request of the Divine Mother, the female monks sang the "Hail Mary" once.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother says:

Do not fear. I Am the Queen of Redemption Who comes to eradicate evil from hearts.

The world will face a great illness in spirit and in faith if you do not join with Me in prayer.

Hear My Message; I am calling you so that Peace and Love may be established in the darkness, so that evil may be defeated and hearts be illumined through Me.

This is a moment of Peace. Be at Peace, for nothing more will happen. Everything will pass through Me.

Find refuge in Me; I have told you this time and again. Have faith in Me, feel the brilliance of My Heart, see the Light which is descending.

I Am the Queen of Redemption, the Queen of Divinity, conceived by the Holy Spirit, the Mother of the afflicted and the fallen.

I come to announce that as from today, and for 33 days, you must pray the prayer of the Universal Mother with Me, so I may rescue My children through these prayers.

Feel My Peace; I Am the Mother of Nazareth, the Guardian of prayerful silence.

The world will face suffering that will purify it, and you, My children, are to be the guardians of prayer with Me; in this way, My sword will be able to cut the ties with that which is not of the Light.

Friar Elías del Sagrado Corazón de Jesús:

The Mother is moving a sword horizontally through the whole space, a silver sword. Let us pray.

The group prayed the prayer: "Consecration to the Mother of Divine Mercy".

Friar Elías del Sagrado Corazón de Jesús:

She said that up until now we have prayed by the Son and by the Holy Spirit, and that now we must pray by the Father.

This request was accomplished by praying the same prayer.

The world will go through its damnation, but My Heart will triumph if you pray with Me and if My Heart finds lights burning in your hearts.

The battle must end with the coming of the Redeemer, the Master of the Heavens and Times, Who is allowing Himself to be seen by those who listen and respond to His Voice.

Today, I give you the Sacred Mantle that wrapped Jesus so you may wrap yourselves in it and take refuge in His Heart.

Mercy is stopping its flow and the moment is coming when Divine Justice is to flow.

At that moment, I will be the Mother of all those that wish to hear My Voice and My call.

Know that I will always extend My Arms to you so you may find My Peace and My Heart, a Heart that is emerging once again.

I leave you this Mantle so it may protect you and so you may join the commitment of Christ, of being spokespersons of His Peace and His Mercy coming from the Heavens. They are the same energies that have permeated Me as Mother of this Earth, as Guardian of the Heart of Jesus, as Disciple of His Instruction.

See My bare feet today, that have walked so far in search of souls, so they may find shelter in Me.

Friar Elías del Sagrado Corazón de Jesús:

The Mother is showing Her Feet, which are of Light, and continues, saying:

Today I distribute My roses to you so you may feel My sublime aromas.

The rose is the mystery of the birth of My Heart, which was glorified after having gone through this Earth and having learned, as you are learning, about Love and Forgiveness. The rose is the resplendent essence of My Being, the Conception which God has given Me as Mother of creatures in purity and in ascension.

Today I leave My angels among you, so you may pray together with them for the rescue of souls, those that are asleep and those that have not found peace for a long time.

I am coming here as the Mother conceived by the Holy Spirit, the Messenger of Peace, the Guardian of hearts, the sincere Soul for each of you, that takes miseries into Her arms and transforms them into Love, the same Love with which I held Jesus Christ the Redeemer in My Arms.

He gave Me to you so you may be in My Arms, as well as all My children in all ways, beliefs and thoughts. I Am the true movement of the Light, I Am the Flame of God that comes to ignite your hearts in this time of chaos and damnation.

Carry My flag of Peace in your hands so My Crown of Stars shines forth in your hearts and your souls rise up to Me, to find the new paths that seem to be dark because of so much distraction.

Go deeper into contemplative prayer; you are in time, there is no more time to lose.

What are you doing with your lives, My dears?

I am waiting to hear your calls in My Heart to accomplish the Graces that come from on High.

I Am the same Lady that instituted the Rosary, and now the Sacred Orandium, the inner connection with the great patriarchs who prayed continuously to profess the Voice of the Lord in their hearts.

They, in that time, did not know of My existence nor the existence of My Son, the Redeemer.

But now, we are all in the same school, learning to open hearts that are closed. For this, I have come here, to this country, to announce My call of Peace and of Redemption.

I summon all to live in reconciliation before Divine Justice comes, and if this should pass through you, your hearts will be open in prayer and the Law will be light upon creatures.

I come to announce, at the request of Our Most High Lord, the Omnipotent God, the Resplendent Single Mind that has created us in His image and likeness, in the image of His Love and Forgiveness, that you now open your hearts so My Heart may triumph and the legacy of Peace, which comes from My angels, is able to be established in all these nations that lack love and redemption.

I Am the Messenger of Peace, the Illumined Heart of Christ, who comes as the Mother and Protector of creatures, for those that cannot find refuge in this material world and who wait to rise up and set aside illusions.

Hear My Voice, I am calling you once again, as I have already done in other parts of the world. Feel My echo in Medjugorje, in Fatima, in Lourdes, in Guadalupe and in other places where My Message has not been formalized because of the lack of celestial understandings that affirm the presence of My Voice in all the hearts I seek.

The Kingdoms of Nature are in My Heart; they too are My children, that wait for your prayers in this time of chaos.

Who will pray for the plant that is dying? Who will have compassion for the animals that die? Do you know where your souls go?

Yes, a purgatory of the Kingdoms of Nature exists where they wait to be rescued so My Heart may exalt and lift them up to the essential Celestial Lakes, where they will be born again as lights to learn and live in this eternal evolution.

Receive the Light of My Heart today; listen and meditate on My call, pray with Me through these Words, for there you will find more keys so you may unite with Me and believe in what I am telling you.

As the Lord once said: "Heaven and Earth will pass away, but My Words will remain."

I Am the Bird of Divine and Compassionate Mercy for the hearts that are cast down by wars and despair.

Have you read My Fatima prophecies?

The third war is trying to descend, a war in thought and in conflict for property; property that is an illusion of hearts that have fallen and do not listen to God.

I come here, to this place, to establish My Redemption, My Peace in hearts, Love in all consciousnesses that believe in Me and also in those who do not believe in Me, that belong to other places and movements.

In the end, you will see My Voice and My Light pass before your hearts, and there you must take shelter in My Love, which is Merciful and Divine.

Today, I await you here, in the early hours of the night, so that with Me, you ignite the Light in the hearts you are not seeing, and which are suffering and in pain.

I Am the Queen of Peace and I want to establish My Peace, on this day, in more groups of souls that hope I will extend My Heart and My Arms to them, souls that have their consciousness and mind in darkness.

My call is higher, My Voice is preferred because My announcement comes from God; it does not come from Me. I am only fulfilling the Will to scatter the Love God has given Me as Mary, the Mother of Jesus, and today as the Glorified Mother among the angels and archangels.

My Essence is open to you and to all those that dare to cross toward the portal of My Heart, which will give Peace and Redemption in this time to all hearts. I will wait for you here, in this Center of Prayer, which through My Voice and My Immaculate Presence, opens the doors to all.

Do not fear what will come; wait in prayerful silence together with Me. My Rose of Light will be poured out over your heads, so the petals cover your bodies of light.

At 7:30 pm, the first procession will begin, with flames lit and hearts open.

You really do not know what My Presence means here and why I am speaking these Words to you, which must nurture your hearts so you may find shelter and protection in Me.

This will be the first procession to light the hearts of this world. The second will be on Friday, which will close the meeting with My Motherly Light until the next moments I come to give you My Peace.

By the splendor of My Immaculate Heart, in the name of the Father, the Son and the Holy Spirit. Amen.

Go in peace and pray.
