NINETEENTH SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, AT 5 pm, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While a group built the rose garden requested by the Divine Mother in Her morning Apparition, another group prayed under a close-by orange tree, some distance from the Orange Tree of the Apparitions. During the prayer, the Divine Mother appeared. Friar Elías stood up and transmitted some words to the gathered group.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother appeared in Her Aspect of the Mother of the Divine Conception of the Trinity. She had a stole with an equal-armed cross on each end.

She told us that today She was giving us a part of Her Meek Heart so we may sow it in our hearts.

She also told us that evil generates confusion in hearts, but that when She comes, all that is dispelled in Her children. This is a constant struggle that is experienced between two kingdoms.

She asked that this prayer, the Luminous Bird, be sung during the General Meeting at the Figueira Light-Community. That the only thing removed from this prayer is the word "amen," which will not be sung.

She told us that She has opened Her Kingdom here, so all hearts may come, so all Her children may come, and that each will know what part of Her Message they must carry.

I am opening the door of the Heavens to sleeping hearts and those who do not trust in My Voice. Through My Words, I emit My Voice to all.

Thank you for responding to My Call and for concretizing these Works of God. Thank you for transmitting My preferred Messages, including to those who do not understand them and do not feel what is happening here.

What is important for all of you will be to remain always united in Peace, in the Communion of Christ, in the Light of My Heart, to strengthen yourselves in the face of the confrontations of evil. Know that if you are united with My prayer, My sword of Light, My sword of Peace and the silver sword of the Archangel Gabriel will be before you to safeguard you. Pray with Me, leave all that you are doing, so your hearts are illumined and thus, evil is stopped, because where I reign, the Light of the Father prevails.

Accept My Love, even if you have not felt it, and if you have not yet seen Me, here I am.

I Am the Divine Conception of the Trinity, who brings you the Peace of the Heavens and the unconditional Love of the angels, cherubim and seraphim, those who received Me in the Assumption of My Body and My soul, when I reached the center of this Galaxy, to learn to live Universal Love.

As My Essence is part of a Source from which emerges the spring of life for souls that are in this and other worlds, today I give you My Peace and My Love so that they may nurture your hearts and so that you may know that when you are with Me, you are with God, you are in contact with My Source, My Source of Light, My Source of Redemption.

I Am the Lady Who brings to this Earth and to this people of Uruguay, as well as all sister nations, the motto of redemption through the Trinity and the Light of the Father in this time.

The Archangel Gabriel accompanies Me in this task and ignites the nuclei of hearts, so they may reverberate in the Love I have been radiating to them for centuries. You have known Me as Mary, the Mother of the Messiah; today you know Me as the Queen of Peace, the Divine Conception of the Trinity, the Universal Mother of creatures, the Mantle of Peace, and also as the Flame of Immaculate Love.

Let no inner cloud surround you, the so-called darkness that is the chaos that suffocates the world.

Today I told you to study chapter 5 of the Apocalypse of John. That message is symbolic for your minds. Do not stop; I need you to open your senses, the inner senses, that you unite with My Love and My Light, so you may understand what all that means. That part of the story is coming in a way that hearts do not perceive, but do indeed feel it when you pray with Me.

Go in peace and gather together hearts so they may hear My Message. Gather the hearts that reside in this place and those to which Heaven is entrusting a promise that is not of the Earth, which is a divine promise that causes Light to flow to hearts so that they may recognize Greater Will.

I want to ask everybody today to listen to My Words, so you may understand what I am doing here as Mother and Lady of the Divine Conception of the Trinity.

The time has come for My Heart to triumph in this place for the second time, and that the Purpose, which is not Mine, but rather comes from on High, is able to descend to your consciousnesses, to your understanding, by means of My Universal Consciousness.

In these days, Aurora has become a refuge of My Heart, and all those who follow this Work, which is Celestial and Divine, who have been here for some time, are accomplishing this Purpose and respond to My Voice as the Mother of all.

May the saints and angels, resplendent consciousnesses, beings who have learned in love and humility, come to your hearts, so that in them you may recognize the path which is one and leads you to Me, leads you to Christ, leads you to the Omnipresent Lord Who is in the Heavens.

Many will come here in search of miracles and healings, but My task here is one of redemption, to open the heart, to tear the veils that are hidden, to open you to the Light and to place Light where

all is dark.

This is My task in this New Aurora; which, in this place, is the dawn through Me.

Thank you for responding to My call.
