APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZON DE JESUS

Mother Maria Shimani de Montserrat:

Let us receive our Mother singing "Virgin Mother."

Now, let us listen to the thirty-three bell strokes. Through them, our Mother will radiate to the planet, and we will unite internally to Her with total devotion.

Today, I have come in the name of the Holy Spirit to bless the fountain, but this will happen at the end of My Message.

Dear children, today I want to thank you for being one more day in the Kingdom of the Father. This means, My children, that many souls are being helped not only through the prayer of the Rosary, but also through all of your prayers. My last request, today, is for you to keep on praying to that end.

Souls and all that is life are being touched by the contemplation of God. Many knots are now gone. This means, dear children, that you must carry on without stopping. I need you until the last moment.

Dear children, a good mother does not challenge, she educates.

Smile, because you are as the little Child Jesus, who used to fall and get up from the ground many times. Know that My instruction is eternal for you. Therefore, you must be patient with Me. I will have to take some of you by the hand, and others will have to hold on to My Mantle, because if you are not with Me in this time, the Light will not be able to guide you.

Know that I want to take you to My Son, truly. Everything I teach you is important for your lives. That is why, every day, you must start over, and not lose hope when you fall, but rather, you must get up.

I need you until the last moments, that is why I repeat this today.

I have said that many souls are being helped in different parts of the world, and this means that your prayers are being considered by God.

Today, I come here, as I came yesterday, as the Lady of Graces. This is what humanity needs to find peace. If you cry out for My Grace, you will find peace.

Today, I want to tell you that My Son is happy for you and for your small efforts. I need you to continue with this goal in order to follow in My path.

Today I bring you a special request of prayer. Yesterday I told you that it is important to contemplate the Kingdoms, and today I tell you that it is important to contemplate the different races. All are one to God, only here, on Earth, they are separated.

The only color that exists in you is the white essence of your heart. My request is that you pray for all My Indigenous children. Many are losing the essence with which they were created.

I want to tell you, dear children, that they need to find the path back to nature again. This example that was given by them is an example for humanity. That is why, as the Lady of Guadalupe, I have come here to make this special request. All these souls are precious to God, just like yours are. This is why, today, a day when you are more conscious, you need to do something for them.

My Kingdom of Peace is a promise to all, but many still do not believe that this is possible; the true heart, that enters the path of prayer, will find it. Therefore, you must respond to this request that is so necessary for My Heart.

Put your hands toward the Heights and ask God for these brothers and sisters. Pray, pray for them so that they may be guided. In this way, dear children, I will be able to intercede for them. And know, My children, that they have given a good lesson to humanity: love for all that was created.

And now, as My children, you must be one with them, you must help them. Each prayer you say will be important to the Heavens. In this way, I will be able to untie many more knots and souls will find the liberation they seek.

I want to tell you, dear children, that it is important to reverse the situation in the world.

Pray, pray every day with devotion, because your words will be heard.

Now that you have understood My call, I want to make one more request of you. Do you remember that a while ago I told you about My children, the Ingenious?

My Maternal Heart wants to reach a part of this nation, a part of all those people that represent this great consciousness.

Would you like to join Me in this task?

Yes!

Friar Elías del Sagrado Corazón de Jesús:

She says that She knows we are never going to say no to her, that there is a part of us that trusts in the unknown and that knows that the unknown is the essence of faith.

Dear children, for this task I need the special permission of My children from the United States. Through prayer, they have opened a door for this to happen. This means, dear children, that My

Heart, once again, is interceding.

To all My children from the United States, I wait for you in Venezuela to help Me with this task. If you give Me your yes, I will be able to visit all My children from Paraguay next month.

But as you are under a law, that you know very well, I need your yes to be able to intercede.

My heart is walking towards this nation. This means, dear children, that I will meet you in Paraguay next month and I will meet My children from the United States in Venezuela in October.

Know, My children, that this is a special intercession for all these peoples. My Mantle extends over everyone, and My Mantle must reach everyone. And if you follow My steps, you will always have the inner flame ignited.

As this day is coming to an end, I just want to thank you for everything that has happened during these days.

I want, at this moment, to say a special prayer for a daughter that was once here, in My Arms.

Let us pray for her:

Blood and Water
that flowed out from the Heart of Jesus
as a fountain of Mercy for us,
I trust in You.

Amen

(14 times)

Friar Elías del Sagrado Corazón de Jesús:

Our lady is saying that now She is going to call a daughter that represents the nation of Brazil, who is going to pray with us for the Indigenous consciousness of this country.

You must love each Word expressed, for they are final Words.

Friar Elías del Sagrado Corazón de Jesús:

Our Lady said that She is in silence, waiting for our hearts to be still.

The time has come for humanity to grow in a conscious and mature way. This will prevent My children from deviating from the path.

This is My last call.

Mother Maria Shimano de Montserrat:

Our Mother is asking Janete, who used to go to Figueira, to come here, please.

Maintain your concentration, dear children, because I am still present.

It is necessary that you be at peace, and it is necessary that you grow from the heart, because in this way you will be in the Wisdom of God.

Let us pray for all those consciousnesses, for all those children who need Light.

Now, put your hands in sign of prayer. We will pray for those children of Mine.

Prayer: Hail Mary (in Portuguese, 4 times)

Fray Elías del Sagrado Corazón de Jesús:

Our Lady is saying that we are going to pray each Hail Mary and She will indicate the intention for each one.

Dear children, now let us pray for the communities in Amazonas.

Prayer: Hail Mary (in Portuguese, once)

Now let us pray, dear children, for the communities in the South of Brazil.

Prayer: Hail Mary (in Portuguese, once)

Now, dear children, let us pray for the communities in Chile.

Prayer: Hail Mary (in Portuguese, once)

Now, dear children, let us pray for the communities in Argentina.

Prayer: Hail Mary (in Portuguese, once)

Now, My children, let us intercede for the communities in Paraguay and Bolivia.

Prayer: Hail Mary (in Portuguese, once)

Dear children, let us ask God for the communities in Peru and Ecuador.

Prayer: Hail Mary (in Portuguese, once)

Let us intercede now for the communities in Colombia and Venezuela.

Prayer: Hail Mary (in Portuguese, once)

And let us ask, with the heart and in a special way, for the communities in Central America.

Prayer: Hail Mary (in Portuguese, 4 times)

My dear children, I thank you and bless you.

Now we will bless the Fountain, the Fountain of the Peace of God. Every blessing must be done with joy, praising the Creator.

Dear children, singing, let us go in pilgrimage towards the Fountain. I will wait for you there.

Mother María Shimani de Montserrat:

Our Lady asked us to slowly walk there, to the Fountain, and that we place ourselves around it. Let us go singing, a song that we sing a lot here in Aurora, it is called "The Fountain."

We are going to listen, and it is easy to learn. Let the ones who are here go first and then you can follow us, singing, without talking.

Song: "The Fountain"

Prayer: "Hail Mary" (in Spanish)

Dear children, this moment had been kept in My Heart for a long time.

Dear children, today I bless this Fountain, as I have blessed so many others in the world and I also bless your inner fountains.

I want to dedicate a special request, a prayer to God.

Close your eyes.

Lord
of the inexhaustible Fountain
of Love and Unity,
bless My children.

Embrace with Your Spirit, Lord,
all those who seek You.

Intercede for My children,
for I will guide them
and lead them to Jesus.

Cleanse from their hearts
all pain and all bitterness
with the Fountain of Your Life.

Come towards My children, Lord,
I beg You,
as Universal Mother.

Accept the surrender of each one of them,
as flowers at Your Feet.

Allow Me, Lord,
to intercede for My children.

Accept the maternal Light of My Heart,
that I pour out as inexhaustible Graces
to souls,
healing their spirits,
relieving each heart.

Accept My intercession, Lord,
because I love this humanity.

You have sent Me to care for,
to guide and contemplate it.

Therefore, I ask You, Lord,
to receive from My maternal Hands
the prayers of My children,
and that You may build, in each one of them,
by means of the strength of Your Spirit,
the true temple of Love,
that will shine for all eternity,
for Your glory and in honor to Your Son.

So be it.

Listen to Me, Lord.
Listen to Me, Lord.

I will take care of Your children and raise them up to You,
so that, together, we may be with Jesus,

praising You for all eternity,
for the good and peace of the entire universe.

Amen.

Thank you for responding to My call!

Thank you for being with Me during these days!

Song: "La Patrona"

Mother María Shimani de Montserrat:

Thank You, Mother of God, for all that You give us!

We are going to get closer to the Garden of Mary to make an account, so you can all listen; because, in addition, we are going to pick the oranges from the trees from the Garden of the Mother to give them to each one of you. These oranges have already been blessed by our Mother.

Song: "Divine Mother"

Mother María Shimani de Montserrat:

Now we are going to make a brief account of everything that has happened and try to clearly convey the task that our Mother asked, so that we can collaborate in transcending this situation that the Indigenous consciousness goes through on our planet, that we will be united and working for during the next few months.

Fray Elías del Sagrado Corazón de Jesús:

We are trying to remember the moment, because there were a lot of things that took place and sometimes they do not remain registered in our memory.

Today, as the Lady announced, She came as Our Lady of Graces, just like yesterday.

Today Our Lady appeared before us and then she placed Herself over the brothers and sisters of the monastery.

And when She carried out the task for the Indigenous consciousness, something important happened.

As the Mother pronounced the name of each country, She approached each nation and, in a broader way, She showed us how many brothers and sisters from the Indigenous consciousness were in need of much help.

She told us internally that what these brothers and sisters left on the planet as a legacy was very important for the history of humanity.

When She asked us if we accepted the task in Paraguay, another movement happened.

She waited, silently and before the Father, for our yes. When we said yes, the plan was updated in a different way.

Honestly, She was calling out for Her children of the Indigenous consciousness.

So, finally came the moment when She asked us to come closer to the Fountain, and for a period of time She disappeared and then reappeared over the Fountain.

There, She asked us to pray the Hail Mary, and in this moment, She appeared surrounded by a choir of angels, in greater number than the people present, and they sang praising the Lord.

In this moment, she was wearing a white veil, a pink tunic and a sky blue mantle.

Then She opened Her Hands downwards, radiating Light. In this moment, She started to talk to the Father, and what we repeated as a prayer was what She was telling Him.

During the blessing, another important thing happened. Large golden keys started to fall from Heaven, they were large and crossed each other.

These keys started to descend and came down upon those who were present. So, during the prayer, She made another blessing.

When the angels were present, surrounding Her and singing, She made another move. She started to take many roses from under Her Mantle and, in a joyful and unknown manner, She began to shower those roses upon everyone.

In a very maternal and joyful way, She looked with Her Face turning down. And in this way, She was thanking all for the task accomplished.

Then, She began to rise to the universe and, at a point on the horizon, She disappeared.

Mother María Shimani de Montserrat:

Thank you very much to you all for being here.

Now, let us share the oranges with the energy of our Mom. There are oranges for everyone, at least one for each.

And we will continue to summon you to come to pray, as we have come these days, because incredible things have truly happened. Thus, go in God.

And let us sing: "Blessed are You."
