SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, as Our Lady of Garabandal, I invite you to prayer, to conversion, to penitence and fasting, so your hearts may be transformed before God.

Dear children, the reason for My visit on this day has a main goal for God and for this world; thus, I want your hearts to be open to hear Me because tomorrow you will receive a special Grace in the name of humanity.

It is necessary that your hearts listen deeply; so tell your consciousnesses to enter into your heart so they may hear My Celestial Words.

Today, I come as your Lady of Garabandal, for I Am Co-redeemer, after Christ, a Mother Who wants to convert hearts to the Light of the Lord.

On this special visit, dear children, I wish to announce to you that My Maternal Heart will be among you and among your brothers and sisters tomorrow, November 11.

Thus, out of love for God, I ask that you accompany Me in a universal task I will be carrying out tomorrow, to which your hearts will be able to attune through prayer, if tomorrow you simply wait for Me, I will be among you every three hours.

So elevate your hearts through the Holy Rosary, so that every three hours, the doors of Heaven are able to open.

My first call to this world will be at 6 a.m., and I will be in this place with you.

My second call will be at 9 a.m., when My Maternal Heart will radiate conversion.

My third call will be at 12 p.m., when the Light of My Graces will be poured out.

The fourth call will be at 3 p.m., when the Mercy of My Son will be present here.

The fifth call will be at 6 p.m., when the Light of My Heart will also be poured out.

The sixth call will be at 9 p.m., when souls will be removed from purgatory and from hell.

If all My children unite with Me in prayer, the seventh and last call will be at 12 a.m., when your hearts will gather under My Mantle, and like roses, I will place you in My Arms to offer you as a gift to God.

So, dear children, do you understand what will happen tomorrow?

This call which My Heart speaks has a special merit, especially for those who have read My Words

throughout this last year and have followed My steps daily through the Messages.

Tomorrow, as the Universal Mother, I will confirm which hearts I have at My disposal.

This is a permission which God has given Me, it is a last Grace I am pouring out, as I have been doing in Medjugorje for a long time. Thus, each child in My Presence, in My monthly Apparition, must convert their heart day by day, as birds change when they fly to God, surrender to the Lord in trust, fully.

Thus, dear children, I wish for you to fly high in the end of this time and your powerful instrument is prayer.

I thank you for answering My call!

In the name of the Father, the Son and the Holy Spirit.

Mother María Shimani de Montserrat:

As we do in all Apparitions, we will give a short description of what happened and try to repeat the requests our Mother made for tomorrow.

A reflection before continuing: we need to open our consciousness to understand the urgency of this planetary situation, for which our Mother has to come during a whole day every three hours. This means that She will need all of our devotion so that as representatives of humanity, we are able to follow this task.

She is trying to find out, as is God, who She can really count on. So we are going to listen to the description of Friar Elías and then we are going to need some things.

Friar Elías del Sagrado Corazón de Jesús:

Today, the Mother taught us about the power of prayer, which goes from Earth toward Heaven, and about that perfect communication between God and His Children.

Today, the Mother truly surprised us when She appeared as Our Lady of Garabandal, because She was manifesting a very powerful, very compelling image. When She appeared, She carried the image of a scapular, hanging from an Arm.

With the other Arm, She held a child. We had the opportunity of having the Presence of Our Lady of Garabandal for a second time, and we asked Her why She manifested in this way today.

Because it is the Presence She has in order to be able to definitely convert souls, and She transmits this conversion through the scapular.

The other symbol She also uses, She said, was Her Light Blue Mantle, and we know that when She appeared as Our Lady of Garabandal, She had Her Hair uncovered, which She said was the symbol of Her Virginity.

Today, She was accompanied by the presence of the Archangel Michael, and that presence was more powerful than Her. He placed Himself beside Her like a guardian, like a great custodian angel. And while Our Lady spoke to us, He shone with Light, and with a very serene gaze, observed each one of us. As He observed us, it seemed like we were transparent to Him. It seemed like everything that was outside and inside of us was visible to that archangel, and at that moment, we understood He was making a reading of what He was seeing, and in this way, Our Lady asked us to meet tomorrow every three hours.

She said She would be carrying out an important planetary task and for that reason, it will proceed every three hours. She said that in the intermediate hours, which is to say, between those scheduled times, we need to have a period of rest. Because, She said, it will be a very intense task, and She will be doing that task, which for us is about something unforeseen, and on receiving that permission, She will carry it out together with us.

And we asked Her if, apart from that task which will happen tomorrow, we would have the Apparition on the 12th and 13th, and She responded that yes, because tomorrow will be a special task and conjunction for the planet.

In our task of prayer, She asked that above all, we should pray for the Middle East; specifically, She addressed the Lebanese nation, which we were to place in our prayers.

And we asked Her how that task would unfold every three hours. Our Lady said, you must place yourselves and pray the Rosary, and at a specific time, I will appear and deliver small Messages. She asked us to pay a lot of attention so as to be able to accompany the course of this task She was going to carry out.

And to help us, during the Apparition, She described what would happen every three hours, and in truth, we found ourselves facing a great mystery, and at that point, as She perceived this feeling, She said the following:

"It does not matter if you do not understand; you pray, because your hearts will understand." She said that everything would be very much guided.

We also asked Her if that task had to be transmitted as this task at this moment is being transmitted, and She said She would suggest the following:

"Let My Divine Mother's children leave everything as it is so the task can take place."

Mother María Shimani de Montserrat:

Even though tomorrow we may be unable to understand the scope of what Our Mother asks of us, we will accompany Her and try to do the best we can. For this reason, you are all invited; if you cannot or do not feel you have to participate in all the Apparitions, at least accompany us in some of them.

All of Casa Redención and the whole Monastery are going to be here from 6 a.m., as She asked, until midnight, and those of us who are here and those listening to us and seeing us are all invited to accompany us.

Thank you all very much; we will be seeing you all day tomorrow.

Let' us sing "Luminous Bird" for the closing.
