**APPARITION OF THE VIRGIN MARY IN MENDOZA, ARGENTINA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

**Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:**

Dear children, with immense joy and with the warm Love that emerges from My Immaculate Heart, the spirit of the world, the spirit of the one humanity, has consecrated itself to My Immaculate Heart; but it is still necessary to do a little more, so the tribulations may be dissolved in all the children of the world.

Once again, I call you to the path of peace. Unite and assemble your families for prayer, because the Woman Who guides you will be among you every day, when you simply speak words of love to Me. To those who still do not believe in My motherly call, I call on you to experience the prayer of the heart.

Dear children, I Am your Master of prayer; for this reason, I guide you during these times and will guide you for some time longer, hoping that your hearts may grow and mature, waiting from Heaven for the new apostles to go on pilgrimage through the example of love and peace.

Dear children, as I have told you today, My joy is immense because of this practice of prayer that all the children of the world shared today with Me.

My Immaculate Heart is in your hearts, and so that My Presence may be eternal in your lives, I invite you to the Rosary of the Heart. In this way, you will be healed of your ills and your faults, and your families will be integrated into the Spirit of God. The evil in hearts will dissolve and in a spontaneous way, Peace will arise.

Surrounded by roses and flowers, today I radiate My Presence to you, because as the Faithful Spouse of God, I guide all My little children, who must be united in their hearts.

Also, today I invite you to remember fraternity. And so that My Works may be accomplished in the world, just as in Medjugorje, I need you to be firm, sharing your prayers and your inner collaboration so that My Plan may be accomplished.

I come to the world as I came in other times, as I also come to Salta, to bring conversion to humanity. The Lord has allowed Me to communicate with all My children so that you may feel My inner Love.

Come out of the ignorance cultivated by humanity through the art of the enemy. I come to open your eyes so that you may reach the Light that is in the Infinite.

Dear children, the Mercy of My Son still descends to the Earth; this is why it is necessary to be connected from the heart, so that everything can be reversed and the New Humanity may emerge on the eve of the coming of My Son. Thus, live in the Sacraments, this will strengthen your spirits.

Confess to My Son through the priests. And if, due to some circumstance, you cannot do so, before going to sleep, remember to examine your consciousness; in this way, your minds will be cleansed through prayer and the Pure Love of God, and in the morning, you will wake up with new renewed spirits, ready to walk in service and faith to fulfill the promise of Christ, of the New Christs of the new time.

This is not a mystery, dear children. This is why it is necessary to pray for those who do not pray, so that someday they may see My Son returning among the clouds, Glorified and Victorious, to redeem this final humanity, which must reunite with the Spirit of God.

Dear children, today My Heart is infinitely joyful for the response of all the children of this humanity. The Heavens gather Their Mercies to pour Them out over the hearts that are wounded.

Carry this symbol of My Motherhood, of this Immaculate Love I come to give you, day after day, waiting and aspiring for you to definitely come together with God. In this way, your lives will deeply change, you will perceive that some things must no longer be done, and you will feel the need for an inner recollection through prayer and communion with My Son.

May these simple Sacraments, which My Son gave you long ago, be renewed in your hearts. Thus, the Lady of Peace, the Lady of the Holy Rosary, will guide your hearts and your steps will follow safe paths and you will not be led astray by modernities, but rather, you will immerse yourselves in the life of the spirit.

### **Sister Lucía de Jesús transmits the Words of the Virgin Mary:**

My dear ones, today I invite you to make this consecration to My Heart eternal through the daily practice of prayer.

Today, I come to your hearts, pouring out a spring of peace, so that your souls may find themselves enveloped in My Celestial Peace.

My little children, today I ask you in a special way to show the Heart of God to young children, so that the New Humanity may begin to be built from today onward. Thus, from this consecration to My Heart, the whole world may come to know Divine Mercy.

Today, I ask you to teach the children of the world the power of prayer so that, through their small souls, they may discover the profound Love which the Creator holds for humanity in Heaven.

Today, My children, I ask that you never forget this moment you have experienced with Me, and that, through prayer, whether in your homes, in groups or individually, you may remember every day that the Queen of Heaven and of Earth stood before your hearts and aspires to return in each moment of your lives, when you simply call Me, united with the Divine Verb.

I come to this world, My children, to dissolve all fear and all pain from the heart of My children, which separates them from Creation, from the perfect archetype which God has for humanity.

Today I ask, from the depths of My Heart, that you not become immersed in the modernities of the world, forgetting the sacredness which God has placed in each of your essences.

Though this consecration that I carry out today with the world, I restore the purity there is in each soul, allowing that little light, similar to the infinite Light of the Heart of God, to shine in each of your essences.

For this reason, through prayer and the Communion with My Son, as well as through fasting, I ask you to renew this consecration of your hearts. Little by little, you will discover what the Will of God is for your lives and how that Will manifests in the events and the actions that human beings carry out in the world.

Today, I ask you to pray for all those who have not accepted becoming consecrated to My Heart; because no matter how much My Light expands throughout the world, many hearts still choose to live in darkness.

Thus, pray, My children, and never forget that there is still much suffering in the world. But that suffering can be relieved through your prayers, through your fraternal actions, through the loving union between your hearts and the hearts of the whole world.

Today, understand the importance of fraternity, because the love you show for one another can dissolve the lack of love that exists in the world.

### **Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:**

A month after having asked you for daily prayer for the consecration of the world to My Heart, on this 13th of October My Heart also consecrates the precious mountains of Mendoza.

May this symbol of the mountains remind you of the elevation of your spirits to God. Together with My Maternal Heart, we will pray seven Our Fathers, seven Hail Marys and seven Glorias to finalize this mission of the consecration of humanity and of all the Kingdoms to My Blessed Heart.

I will listen to your prayers.

Beloved children, after having blessed this gift of images you have brought to My Heart, I invite you to remember My Presence in your homes.

Dear children, as the Lady of Perpetual Help, I come to assist humanity. Know that I do not want to harm you; I only want you to know the universe of My Peace. Dare to enter My Immaculate Heart, for It is your perpetual home.

Heaven thanks you for being with Me tonight.

May the Holy Spirit accompany you. Sing: "The flight of the Holy Spirit." And those devotees who own these images, come here to receive them.

Carry the universal touch of My Light, My Invincible Love, in your hearts.

I thank you!

### ***Friar Elías del Sagrado Corazón de Jesús:***

*Thank You, Mother, for all that you give us! Amen.*

*On the 13th and the 25th, when our Mother comes, She always brings us many surprises and revelations which speak of the situations of souls, the situation of humanity, or certain situations on the planet that need to be resolved.*

*Today, our Mother came at dawn dressed in white, as everybody heard in the telling of the special Message received.*

*This afternoon, She came in the same way, surrounded by roses, as She said to us, and made each one of us enter that universe of Peace.*

*As She was communicating Her Words, She was radiating us with Her Rays of Light. At one moment, She showed an image, a scene that was a hell, a hell in this world, where souls suffered greatly for not having connected with God.*

*She revealed to us today that, through this world consecration, many souls that were eternally condemned were carried to Heaven. It was a Supreme Grace which She did for them.*

*Then, at the moment of the Apparition, hell appeared beneath Her Feet. She was serene, peaceful, and was looking at that place with great love and compassion.*

*And at a certain moment, the Archangel Michael, by order of Our Lady, went into hell, and with His wings, gathered many souls; it was as if He entered a red ocean and gathered those souls with His wings, and wrapped them within them and carried them up to Heaven. It was a very intense moment for us.*

*At another time, as She told us, She came as the Lady of Perpetual Help. In Her Arms She carried the Child Jesus, and the Child Jesus held an image of the world in His Hands, radiating it through His Heart. On several continents, according to what the Child Jesus showed us, many energies were gradually removed, as if they were great storms or black clouds that enveloped the planet. Those energies were slowly released through the Love of Mary and the Love of Christ, when They contemplated the world, which was our planet.*

*After that moment, our Mother sent a beam of Light from Her Heart over the images.*

*At another moment, She sent the angels that were guarding Her to help each one of you. And they worked spiritually, depending on the degree of permission we were giving them.*

*Our Mother showed that some received more, a greater spiritual help, and others did not receive so much help. But She, nevertheless, integrated us into Her Mantle, She held us within Her Light.*

*The Mother asked that, to finalize this task, we should pray together with Her the prayer: "[Act of consecration of the world to the Immaculate Heart of Mary](#)."*

*I invite you all to close your eyes and concentrate on these words. We will repeat the prayer, phrase by phrase, so we can all follow it.*

*And after this task, we will once again make our offering to Mary.*
