SPECIAL APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, distribute a rose to each missionary and afterwards I will tell you what it is I want.

Let us pray while I wait:

Prayer to the Divine Lady

By the Light that Your Immaculate Heart poured out,
which changed the hearts of the world,
Divine Lady, pray for us.

Amen.

This rose, dear children, represents an offering for Heaven.

And now, I ask each missionary that, with the rose on their breast, feeling it in their heart, in silence they offer Me this rose for a soul I have known in the Middle East and that needs My special help, My divine intercession. I listen to you in the silence of your heart.

After this offering, let us make the sign of the cross three times.

In the name of the Father, the Son and the Holy Spirit. Amen.

Sublime universes, close to My Heart, draw close to your lives, missionary children, to be able to rescue the souls most in need of the help of God.

At this moment, I ask, dear missionary children, that in the silence of your hearts and in the union of your minds, you do a synthesis of all you experienced, because God your Lord taught each of you something, renewed you spiritually, showed you the suffering of the world, human indignation, persecution, death and chaos.

But I, My children, showed you how through love, the love your hearts expressed for those who suffered the most, everything can be transformed.

May this expansion of the love you experienced, under the intercession of My Beloved Son, be able to continue to be enriched in your lives, so it may multiply in those who must wake up to higher service for humanity.

On this night of Graces, on this night of Mercy and Pity, My Message, dear children, is that of infinite celestial gratitude for your effort and your perseverance in My Plans; because this, dear children, touched the Heart of the Father God. His Heart was moved by your simple offering of the giving of self, day after day, to others.

You have learned, dear children, the teachings of the Sacred Family. Each of these teachings, each of the attributes of the Sacred Hearts were present during all the days of the mission, and in spite of the tiredness and the pain, My Immaculate Heart and My motherly arms never ceased to embrace you, because I know, dear children, that it is important for each child of Mine to feel they are in the arms of Mary.

The triumph of My Immaculate Heart took place in each of the hearts of those you helped. A seed of light was sown in those consciousnesses so they could wake up other consciousnesses that, escaping the war and persecution, needed to find the essence of My Peace, without religion and without belief; the universal Peace of the Greater Universe and the Sublime Universes that must descend at this crucial time to all the hearts of the Earth.

But the war has not yet ended, nor the decapitations. Souls are also still suffering in several places of the planet. For this reason, the missions will continue so that humanity will be moved, so that humanity will awaken to true service which it must provide in these end times.

Each of My children, each of you, present in this place, has a piece in your hands that comes from your heart to be able to put this perfect Plan of God together, to concretize this Divine Project in this still unredeemed race.

Dear children, now that you have placed a soul of the Middle East in My arms, many more souls will come into your lives through the missions, seeking that impulse of peace that your hearts hold.

The true mission, My children, was done between you and My Heart. The Most High God granted the Grace to your Heavenly Mother of accompanying you in this new mission to Turkey and Greece. But this time, I will go with Saint Joseph, so that two powerful Hearts, such as Ours, may triumph in many more needy souls.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

My children, many ask themselves why I receive My missionary children with so much Love; because I want the world to contemplate the Grace of God which descends to Earth when a heart is able to serve in a pure way, irrespective of the act of service; because it is not the great actions, My beloveds, that count in the celestial scales.

What really balances the debts of this world is the love with which hearts serve, the love with which you ready yourselves to serve God, to fulfill His Plan, whether understanding it or not; because My missionary children many times did not understand how, with such simple actions, My Heart rescued so many souls.

But so it is, My children, because they are experiencing a different Law, and so that you may

understand the potential of the love in the human heart, that through humanitarian missions, you understand the power you hold in your hearts when they unite with the Heart of God. In this way, you wake up an absolute unity with the Creator.

May many more of My children in the world be able to awaken to the missionary spirit; may you find the need at your side; may you serve all those around you; may you lose your fear, My children, of being among the poor, among the destitute in spirit, among those that most need to receive My Peace and the Redemption I bring them in My arms, as a Grace granted by My Son to the hearts of the world.

I hope that through this example I bring you today at this altar, prepared with such love for Me, all the souls that listen to Me awaken to the true service this planet offers you, which is to accomplish the mission of each one so that, in this way, the Plan of the Creator is fulfilled.

Let the inner missionaries awaken, those who are ready to serve with no schedule or day, without tiring, in spite of the weaknesses of the body; because you know that My Heart will support you and will also avail itself of the efforts so that you may overcome your own difficulties, including physical ones, to rescue yet more souls.

For the more the love in your hearts expands, the more you overcome yourselves out of love for others, and above all, out of love for God, a greater celestial door opens in the skies of this Earth to withdraw so many souls from the hells and the abysses of the planet which are still suffering because of My adversary.

Dear children, My joy is infinite and I would like to transmit it to your hearts. I would also like to transmit the gratitude I feel, so that you too may be grateful to God for all the Creator has granted you throughout these last years.

May gratitude, My children, propel you into reverence; may gratitude propel you into a permanent surrender of your lives to constant prayer, to selfless service; because this is what I expect, My beloveds, from those who listen to Me with their heart.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, My joy is also because of the basket of intentions of the children of the Middle East which you brought. Today, I will radiate them and pray for each one of them.

At this moment, let us unite with God, with His Sacred Names. Let us sing His Sacred Names to the Creator.

At this moment, My Immaculate Heart lifts up to Heaven the thousands who sank in the seas, looking for a way out, a hope, a possibility.

At this moment, My Spiritual Heart embraces the little children of the Middle East, orphans, without fathers or mothers, so that God may grant them a new life.

At this moment, My Most Pure and Holy Heart consoles the mothers of the Middle East, tired of so

much walking through the deserts, thirsty and hungry, seeking a new life. My Heart consoles them, My Soul uplifts them in the name of the Lord.

At this moment, My Merciful Heart shelters all the sick men, the old and the young that escape from the war to go to other nations, who do not rest, who do not stop walking, seeking the Light of Infinity.

All this is possible, My children, and was possible because of the mission to Turkey, for having said 'yes' to My call, to My universal convocation; and in spite of evil still being in the world and the war not ended, be sure, My children, that My Immaculate Heart will triumph. Amen.

Now I call those who will be consecrated as Children of Mary; because they are another part of My Work of Redemption, they are part of My hands, of My hands of work and of service for humanity.

Let them come here for the blessing, before I rise up to Heaven.

Friar Elías del Sagrado Corazón de Jesús:

We can stand.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Let us thank God, dear children, because your lives can know peace, because your lives are in this Sacred Spiritual Center, while millions of souls look for a way out and escape from terror.

The opportunity will not be lacking, My children, that your brothers and sisters, the missionaries of peace, express what they have felt in the depths of their hearts; because God left an obvious sign in each of them, a teaching, an experience, a gift that will be forever indelible when you take care of it, just as I take care of you every day of your life. Thus, I take care of all the Children of Mary in the four corners of the Earth.

In this way, dear children, we prepare for the Meeting of the Children of Mary, as from this holy day, in which your Heavenly Mother celebrates this perpetual communion with the Most High, with each of His children present in this place and in any part of the world.

The armies of Light are the Children of Mary, stars of Light present on Earth that can never be put out. For in truth I tell you, My children, that each one will experience their transition, their inner Armageddon, their spiritual, mental and physical purification.

I cannot lie to you, My children. For the New Race to be born and the New Humanity emerge on the American continent, you must help Me have the whole Earth and all of humanity cross this portal, with the greatest relief possible, to the New Humanity. That is the task of the Children of Mary, to pray for the New Humanity, to pray for the Kingdoms of Nature, which you must never forget because they too suffer the consequences of the human being.

For all these Graces that I pour out today, opening My arms to you, extending My hands to each of your hearts under the divine authority granted Me by the Father of the Universe; let us renew our vows, let us say 'yes' to the call of the universe, to the existence of higher life and the concretization of the Divine Plan in each of the hearts of the Earth.

In the Presence of My beloved Son and of the Most Chaste Saint Joseph, I bless you and I consecrate you as children of My Immaculate Heart in the name of the Father, the Son and the Holy Spirit.

My children, before leaving this place, I want a priest to bring Me oil for the consecration, for I desire to bestow a blessing on each of the missionaries, a luminous sign of the Cross, invincible and powerful in these times.

Meanwhile, dear children, sing the "Hymn of the Children of Mary" to Me so it may echo in the Middle East.

Just as Jesus washed the feet of His apostles and disciples, thus I anoint you with the oil of life, the oil of the consecration, the oil of love and of unity with God.

Just as I anointed the Body of My Son when He entered the sepulcher, preparing for His glorious Resurrection, thus I sanctify your hearts and I give your souls gifts so they may continue forward, working in the name of faith.

I thank you for having responded to My call.

I bless you, in the name of the Father, the Son and the Holy Spirit.

While I rise up, sing the "Hymn of the Children of Mary."
