SPECIAL APPARITION OF THE VIRGEN MARY, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Today I am here with all the angels of Heaven to bless you and love you.

And although the souls are spiritually lost, My Immaculate Heart never ceases, because My promise before God is continuous and victorious.

My Plan is fulfilled in all those who hear Me and I never stop opening the doors of My Heart for those who become lost.

And although the trust in God is no longer in the lost, I recover it through My Love, My Grace, and My Light; that is why, children, you should never give up.

What I offer you in this time is unique; it will never be offered again until the next world.

My Grace allows all things and the Grace of the angels allows all things.

That is why I Am that Aurora that shines in the heart of the self-summoned to follow Me in this co-redemptive Work with My beloved Son.

I Am that Star that never ceases to shine in the spirits that believe in it and admire it, because I, dear children, do not do things for Me, but rather it is God that does them through His faithful Servant and His pilgrims.

I come from the celestial spheres to find you and love you even more each day.

I come to build in you something new that is still unknown to you. For that I am here, dear children, for you and for My children of the world.

I come with all of My kindness, to shelter you, to listen to you and respond to you, in the presence of the Light of God and of His Kingdom.

I do not want, dear children, for anybody to miss this sacred opportunity. I cannot show Myself more to you because I do not have the permission.

My Graces have already been physically placed throughout time and you have been able to ascertain this.

Now My Divine Spirit comes to you to call your spirits, which have a special mission with Me.

I am not here, dear children, to have you waste time. That is why I still come to Aurora, because God sends Me as His Messenger, again and again, until you manage to listen in the depths of your hearts.

I hope that you fulfill My designs without delay, because the times are urgent for all and especially for those who suffer and receive no Grace.

It will be through the apostles of My Son that I will be able to prepare the world for the second coming of the Master. If you do not prepare the fields where I send you to work, dear children, how will new seeds sprout in the hearts that are closed?

Each one of you has a key for My Work and I gave it to you. That is prayer.

It is prayer that will form you, it is prayer that will unite you with Our Father Who is in the Heavens and Who always waits for you with His arms open, to receive you and have you sit in His beloved Throne of Light.

How many souls do not want to see that opportunity and delay, delay a great deal, dear children!

How many hearts still do not want to change their way of life and do not accept to find the real Love of My Heart, that comes to aid you in this end time!

That is why, in this century, I need committed soldiers, decided and strong, to respond to My call.

I come to have you grow in love and in brotherhood, in unity and in the spirit of this sacred task that I entrust to you.

Each Center of Light that I have founded has a purpose, it still fulfills a mission before the Plan of God.

Just as it is in Fatima, it is here in Aurora, as it is in Medjugorje, or in Guadalupe. Each nation has a key that I have given it through My different faces, so that the peoples may learn to accept Me and to receive Me in love.

But I Am the same, dear children. I Am the Mother of Jesus, of your Redeemer.

I Am the One Who ascended to the Heavens to implore God for this world and Who will return after Her Son, opening the doors to the Kingdom of God for those who have persisted throughout the times.

I Am Who with My Son will help to resurrect the dead, to uplift spirits, and to assemble those who have become lost to live in the Love of God.

I Am the governor of the new race.

I Am the One Who ignites the flame in hearts that invoke My Presence, because it is the Presence of God in My virginal aspect.

I need you to understand and comprehend, dear children, who you are receiving!

I Am a spokesperson of the Universe, that comes to warn the world, so that it may not become lost in the darkness.

You must help Me so that evil does not triumph in any human heart.

Each time that you pray with Me, an uncertain door closes upon darkness and a soul is uplifted to the Kingdom of My Love and of My Peace.

In this way, dear children, I wander through the world to call those who are asleep; for those who have not been able to see Me, nor feel Me in their hearts.

Aurora has a fundamental task with Me, which is non-transferable. And it must be accomplished no matter what the cost, because in spite of the times of battle, I will give you the fortitude and the support through prayer of the heart.

I gave you, dear children, the great tool of humility for souls and the shield against all adversity.

Although the beasts are about to walk over humanity and among the peoples, do not be afraid. Who unites with Me becomes a great Mirror of prayer for the world and radiates peace, when they accept living it in their heart and in truth.

What I need, dear children, is for you to open your hearts to self-forgetfulness, because the world is full of itself and does not want to accept that this causes it to sink, day after day.

I need you to open to the Love of God, so that you may know the majesty of His Plan and of His redeeming Work in these times.

Count on your angels and call them all the time. They still yearn to be able to serve you in this end time. It is time, dear children, that you perceive that you are not alone in this world and that you can count on the Celestial Universe.

Each time that I come here, as in each Apparition, of Saint Joseph or of My beloved Son, or of My Heart, We open the doors of the Cosmos so that each day you may be uplifted and abandon this old matter, which corrodes the spirit and hearts.

That is why the Aurora will free you, although its presence is silent in these times.

We are a Celestial Brotherhood that calls upon you to serve the Plan of God and to manifest its designs in this time, so that more hearts may consciously participate in their redemption and rehabilitation.

I wish that you could see the Universe, just as I see it all the time.

God will not punish you for not being able to respond. But know, dear children, that today you know My Truth, which is the Truth that I wish for each child of Mine, which is the love that I need you to experience and to practice, so that humanity does not fail through its lack of love and

because of its indifference.

My Eyes observe you in contemplation and in unity with the Father. My hands pour out their Light into the darkness of the Earth, in order to dispel it.

My Heart shines like a protective shield for hearts that accept it.

And the triumph of my co-redemptive work with My Son is established in the hearts that are redeemed and say "yes".

This is the message, dear children, that I want you to attentively hear today and to hear again in these next days, in order to be able to feel each one of My Words, and even more so, My Energy, which is the Energy of God, your Father Who is in the Heavens and awaits you.

In this hour, feel the embrace of the angels and their Grace, and give thanks to God every day for having awakened to My call in this end time, which is so critical.

There are souls that despair and that are tortured.

There are souls that suffer in loneliness and in silence, without anybody contemplating them.

There are souls that die without feeling love and Kingdoms of Nature that suffer the consequences of humankind.

Who will alleviate the pain of your Heavenly Mother?

Who will accept living this affliction with Me and transform it into love and light so that the Celestial Father may triumph?

I ask you, children of the world, to not close the doors to God, for He sends Me so that you may hear and accept Him.

Do not fear the tribulation, the failure. Live penitence, prayer, and repentance, and with My help, dear children, you will achieve holy humility on the last day of your lives.

And thus, when everything finishes here, in this beloved Aurora, I will lift up to the Heavens the Scrolls of Light, where your experience with Me and the offering of this sacrifice of love for humanity will be written.

There are souls that believe it is not necessary to make an effort for this suffering and lost world. Is it not so, My children, that when God sends Me, I have shown you the constancy of My Love, of My Mercy, and of My goodness towards all?

If for you I Am your whole Grace, why do you not do the same that I do for each child of the planet?

I only ask you, as My Son asked you, that each day you learn to love each other more, because who does not go through that Law will not be able to bear their purification.

I invite you to feel united all the time, through My Immaculate Heart, which is the home that opens

up so that you may enter and feel peace. In this way, dear children, you will please Me, and as in other passed Apparitions throughout time, I will be able to lift up to Heaven the Scepter of the triumph of the redeemed hearts.

And again I say to you, that through this sincere effort, My Immaculate Heart will triumph.

I thank you and bless your Mother here on Earth, with the breath of My Love and of My Spirit.

In the name of the Father, the Son, and the Holy Spirit.
