**APPARITION OF THE VIRGIN MARY IN THE CITY OF SAO JOSE DO RIO PRETO, SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Today I open My arms in the form of a cross so that you may see the greatness of My Immaculate Heart, which is infinite and sublime to human eyes, which has no limits and that encompasses many Universes beyond this planet and this humanity.

This is the sublime power of My Immaculate Heart that I offer every day to My dear children of the world, for those who live in My Heart will always find the peace and the mission they have come to accomplish before God.

Today I come to Sao Jose do Rio Preto to give you My Immaculate Heart as the emblem and the trophy for the end of the times, in the face of this planetary transition that becomes more critical each day, not only in the human consciousness, but also in the Kingdoms of Nature.

The Mother Earth is at the time of her great birth and humanity will be mobilized.

She will deeply feel the birth of the new humanity, after everything is purified.

Today I open the doors of the Kingdom of God so that your hearts may be uplifted and be placed by Me on the Sacred Altar of the Creator Father as the greatest offering for the redemption of your lives, the conversion of your hearts, and for the moment of peace that today you come to experience with Me and in Me.

Today I am with all the nations of the world. Not only with you, dear children, but also with My beloved Portugal, opening the Kingdom of devotion of My Heart so that souls feel able to experience the prayer of these times, so that peace may be established in all of humanity.

Just as I am with you, dear children, I am with each child of this planet that at this culminating moment, unites with My Heart, with My Light, with My Truth, with the Healing that I bring for all.

There is no human pain that I cannot heal when your hearts surrender to My Heart.

I am transforming you little by little, into that perfect model that My Son hopes to see at the service of the Father, of the whole Universe, and especially of this humanity.

Today in the silence of My Spirit, I observe all My children of the world, all the pilgrims that visited My sanctuaries to honor Me and glorify Me as the Mother of their lives, as the Patroness of each nation, as the Governor of the consciousnesses of this world, as the Guiding Star of Peace.

Today I have also come to consecrate you to the Spirit of God with the hope, dear children, that you find peace and reconciliation again with the Eternal Father, for all the souls of the world that separate themselves from the Father and close their hearts because they are experiencing pain and suffering.

I Am the Immaculate Mother that alleviates the spiritual suffering in humanity. For this reason, dear children, if you join with Me in prayer, I will always be able to give you My Graces and guide your paths, so that My adversary will not be able to draw closer to humanity.

You know, My little ones, that we are in a time of great battles; the triumph of the Light is vital and the participation of your lives is important so that this Work of My Peace may be able to be built and rebuilt in the world, through all the servers that follow their Heavenly Mother in this last call for humanity.

Today, I repeat for you a message that I have already given, because you must hear it with the Heart. It must be the seed of the new time so that it may blossom and give its fruits in honor of the Creator, Who is very forgotten by the consciousness of humanity.

On this 13th of October, dear children, I want to take you to the gardens of My Kingdom of Lys-Fatima; may you see again the door that opens before your consciousnesses and in this way, may you be able to enter in simplicity and love so that the original purity might awaken again, the purity that will support the planet and many souls of this world that deny Christ and that deny God all of the time.

It is through your purity that you will achieve perseverance, the spiritual triumph for your lives, the concretization of the personal mission for each being.

It is the Kingdom of Lys-Fatima that opens its doors to you so that your hearts may vivify My Immaculate Spirit and in this perfect communion, we may all be in the Celestial Father, Who in this hour and at this moment, through His faithful servant, hears the voice of your hearts, the entreaties that you have lifted up to the Kingdom of God, for this project of humanity, for this Plan of God that He offers the world for the redemption of consciousnesses and the conversion of hearts.

As I have done in other times, dear children, just as I did in Fatima, I come to ask you for the prayer for peace and for the ending of human war, so that My Immaculate Heart may triumph not only in your lives, but in all the nations of the world, especially in those nations that still do not accept Me.

I Am that great Consciousness that incarnated in humanity as the Mother of Jesus to demonstrate to all that God, in His Humility and in His infinite Love, manifested in Me through the Holy Spirit.

Today again, dear children, I pour out the seven Gifts of the Holy Spirit.

In spite of you not understanding them, feel them in your heart so that they may awaken and offer the world a sacred and last chance of again looking toward God and of never forgetting His Universe, His profound Kingdom of Love and His Cosmic Consciousness.

I Am the Queen of all the angels, that today brings Her choirs so that they may sing together with

you the Hymn of My Peace, through the prayer of the heart and the faith of your consciousnesses.

From this place I want a sanctuary of many prayers.

From this city I want a column of Light for the world, constituted through your hearts, your prayers, and the service to the Kingdoms and to humanity.

Thus, I invite you, dear children, to pray for your peers, for all those whom you do not know, and that on this day do not have the Grace of being able to receive Me as you are.

I want you to consecrate yourselves to the Most Chaste Saint Joseph.

I want this city to be consecrated to the Most Chaste Heart of Saint Joseph so that the Father of Love, My holy husband, is able to guide you on the path of simplicity, of goodness, and of charity, for all those who suffer the end of the times.

I unite you with My Universe of Love and I give you everything I have and a little more, so that you dare to be with Me unconditionally.

While I am with you, I am with all My children, in each part of this planet, who need relief from their great suffering.

I Am the Immaculate Mother that brings you Peace, the joy of living in God, and of returning to His Kingdom in the consciousness of prayer, of service, and of brotherhood, for all those who do not experience it.

And today I want those whom I will consecrate to come here, so that I may bless them in the name of humanity.

While I am here, contemplate My Immaculate Heart, which offers Itself as a testimony of love for the world, as a reparation for all the lives of the Earth, mainly those that do not experience peace and are desperate in their suffering and pain.

I Am the Immaculate Mother that alleviates the deep suffering of consciousnesses.

I Am the Source of all Graces.

I Am the inner reparation of the human heart.

Today I ask you to be at the foot of My altar for all those who are not, that do not pray to God, that do not love God nor wait for Him, just as the prayer of the holy angel says.

Together we will say this prayer, dear children, uniting with the Sanctuary of Fatima, in Portugal, and opening the fountain of love of our hearts so that this fountain may be poured out over the world and souls may achieve salvation.

Just like the three little shepherds, pray, be like children, feel the purity of your hearts returning in this moment. Forgive, ask for forgiveness. Be reconciled. Forget the past and live the eternal present, which is the eternal Grace of God, which through the Holy Mother of the Father, returns to

you to fill you under the Spirit of the Light and Love of God.

*My God, I believe in You... (x3)*

*Let us do the instrumental of the Children of Mary.*

My beloved children, I Am the same as that Light which shines in the abysses of the Earth to rescue fallen stars. I seek them, one by one, on the paths of perdition, of darkness, on the paths of the lack of love.

I descend as Light to the world, bringing the Heart of My Holy Son, so that He may vivify the consciousnesses of the Earth.

It is this Light of My Immaculate Heart that every day, through your prayers and entreaties, descends to humanity to concretize its salvation and redemption.

May all the nations of the world, may all the Children of Mary that today are consecrating themselves, trust in this perpetual Light, in this faithful testimony of love that ignites like a flame in your hearts, because in the end, dear children, My Immaculate Heart will triumph.

Sing this Hymn with love so that the Holy Spirit also blesses you.

Today I withdraw from the city with great joy, seeing the seeds of light, the cells of God in human consciousnesses, sprout in My children.

Let My Light be in this blue mantle so that it may heal your bodies, your spirits and consciousnesses.

Let My Light be in this blue mantle so that the peace-bringers of the Universal King may be born.

So may it be.

Always remember My Immaculate Heart. It is the shelter for your suffering. It is the refuge for your lives.

I thank you for responding and concretizing My call, and for helping Me to come to Central America.

Be one brotherhood, one single heart, one single consciousness of light in all the nations of the world.

I love you and bless you.

By the authority that God has given Me, I dissolve your sins and I renew your faith in the greater hope of God.

In the name of the Father, the Son, and the Holy Spirit. Amen.
