APPARITION OF THE VIRGIN MARY, AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Today, on the day in which the Lady of the Most Holy Rosary of Fatima is celebrated, the Celestial Mother comes to the world to share with some of Her children Her deepest sorrows of Her Heart; sorrows that many do not know or have knowledge of, for which I ask you to pray to alleviate the Heart of the Mother of God so that sins are reversed by the Love of My Immaculate Heart.

Today I gather, on the inner planes, the souls that assemble before the Divine Mother to share this planetary moment.

For that reason and for that motive, I am uniting, at this moment, the Kingdom of Fatima and the Kingdom of Aurora, as one heart and one essence so that, on this day, peace may be granted to the world, especially in those places that need it most and where many of My children are in danger, not only of life, but also of spirit.

As more than a hundred years ago, and, like in the recent years that I have come to meet you, I ask you to pray for peace, because if there is no peace in the world, there will be no healing or renewal.

The Kingdom of Heaven is up here, waiting for you to deposit each prayer bead in the hands of the Celestial Mother, in your Lady of the Most Holy Rosary.

Through My Heart, I bring you the entire Kingdom of Fatima, with all its consciousnesses and angels so that the spiritual life of humanity, on this special day, may be repaired and converted, so that one day it can be redeemed.

The Mother of God not only remembers Her seven main sorrows, sorrows that have changed over time, because there are even more serious things that happen in the world, which My Son did not expect to happen. For this reason, He gave Himself up to the Cross and saved you with the price of His Blood.

Today the Immaculate Heart of Mary, surrounded by the Crown of Thorns, of the lowest sins in the world, comes to be alleviated by the prayers of Her children and the faith of good hearts, of those who always say yes to the Mother of God.

For this reason, I invite you to transmute this planetary situation with Me so that, within you and your consciousnesses, there may be an opening to serve in the armies of the Mother of God; in all those who postulate to be part of the legions of Christ, in favor of His Return to the world.

Just as a hundred years ago, but, today, in this sacred and blessed place for God, I return again to humanity, the same as I once did in order to put an end to the war of those difficult and painful times for the whole of Europe.

Today I return to humanity this same Legacy that I once left in Fatima, which is a spiritual Legacy, an immaterial treasure, an incalculable and infinite Legacy that comes from the Source of God, from which your Divine Mother emerged.

From that place, which is not known, which is part of a mystery that is unveiled today, which is part of the Divine Will, I bring you and your brothers and sisters of the world, as well as the nations, the opportunity to return to your original purity; because the world has completely lost its purity and by losing its original purity it has lost its innocence.

This leads some of My children to offer themselves to My Immaculate Heart, a Heart that is thorned and wounded by the sins of the world, especially by those who reject the Mother of God, who is the Mother of all, the Mother of humanity.

Through this offer that My Immaculate Heart makes to you today, I again bring you the Source of the Kingdom of Lys-Fatima, which keeps as a spiritual treasure a part of the great Legacy of My life on Earth, as also a part of the Legacy of My Assumption into Heaven.

Your lives, through My Heart, must be the continuation of that Legacy and that trajectory. For this reason, My beloved Son, at the foot of the Cross, gave all the children of humanity to the Mother of God so that they could be redeemed, converted and reconciled, and one day be the testimony of the Love of God, of the Love of the living God.

For that to be possible, beloved children, I once again accept the sacrifices, the renunciations and all the possible surrenders that, as they did a hundred years ago, compensated for the very serious faults that sunk humanity into war and suffering, and this allowed The Light of the Divine Essence of the Mother of God to shine like a great sun in Fatima, in the sixth month of those Apparitions.

That sun, which is not like the one that shines upon you every day, is a sun that appeared at that time and materialized to carry forward a radical change in the entire human consciousness.

But the effects of that sacred task have faded from the ethers of the consciousness of the planet, even though the Mother of God continues to return to the world to call Her children to conversion.

Today your lives must be this very sun that illuminates the darkness of these times, with acts of love and mercy, with gestures of forgiveness and reconciliation. You will have all the tools to be able to do so on the path of prayer that is a continuous and eternal school, but you will also find those tools in the Sacraments, which are what make you live redemption.

Uniting the time of Fatima with the time of Aurora, in one heart and one essence, I bring you, My children, the last opportunity to help change this world consciousness so that one day everything material may change, everything that is perverted and has not complied with the Laws of God.

Thus, today, opening a door, I invite you to cross it, with the conviction of fulfilling the aspirations of My Son so that, by crossing this spiritual and inner door, those who decide, starting today, in

confidence, will enter a new school: the school of the mature and responsible consciousness of the soul and of the spirit that consciously lives the Will of God and will never reject it so as to become a true companion of Christ, who does not fear the cross, who does not fear the darkness, who does not fear their own fears, but that the Love of the Light of Christ may illuminate and guide them until they can accomplish what God so desires, what God expects so much.

If you assume to cross through that door, you assume to live another school, deeper and more decisive. A school not only of maturity, but also of wisdom, of discernment, and, above all, a school where you fully practice love in the three planes of consciousness; spiritual, mental and material, so that your souls be mirrors of the Soul of My Son.

This is what humanity needs in order to have an opportunity.

You have been called and you have summoned yourselves for this moment and for this time. Together with Me, you must strengthen this network of Light, which follows the guidelines of the Hierarchy and which, as a mirror, reflects the Will of God and shares that which the Hierarchy feels about this planetary moment.

Therefore, on this May 13, after more than a hundred years, I invite you to cross through this door, through the internal gardens of Lys so that the angels may purify you and align you with the Sacred Purpose that will always renew you and lead you to fulfill your mission.

To consummate this moment, for this planet and for this humanity, the Lady of the Most Holy Rosary, as Mother of God and Mother of all humanity, as Mother of priests, apostles, consecrated persons and servants, came to establish the triumph of Her Immaculate Heart through the offering that Her children will make, as they cross through the spiritual door to the new school that I offer them, the school of maturity and consciousness.

For this to be possible, My children, we will celebrate the Eucharist in honor of My Son and respond to His heavenly requests.

Friar Elías del Sagrado Corazón de Jesús:

We can bring the Altar here, for the celebration.

Let us, at this moment, as we prepare to enter into communion with Christ, feel ourselves within the Kingdom of Lys-Fatima, in its inner gardens, together with the Most Holy Mary and Her holy angels, preparing this celebration, this offering of the Sacrament of the Eucharist, as Our Lady has asked, for humanity and for the planet. But we will also offer our lives at the Feet of Our Lord.

The water to wash the hands.

May the Lord purify us at this moment so that He, once again, make us worthy to receive this Sacrament and, thus, He can renew everything within us.

We are going to celebrate this moment with the Most Holy Mary, just as She was in the Cenacle with His Apostles, waiting for the reappearance of Christ, the Resurrection of Her Son.

On the night that Jesus was to be given up, He instituted the Holy Eucharist. And for that to be possible, He asked the apostles to bring him the bread and wine so that, converting them, He could offer His Body and His Blood as a justification for the sins of humanity, so that everything could be

repaired.

Thus, Jesus took the bread, raised it and offered it to the Father, asking him to turn the bread into His Body.

The angels transubstantiated it and Jesus then broke it and offered it to His companions saying: "Take and eat, because this is My Body that will be given by men, for the forgiveness of sins."

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

Amen.

Before ending the Supper, Our Lord took the Chalice into His Hands and offered it to the Father so that the wine would be converted into His Blood.

After the wine was transubstantiated by the angels, Jesus offered it to His companions, saying: "Take and drink, because this is the Chalice of My Blood, the Blood of the new and eternal Covenant, which will be shed by Your Lord for the remission of all faults. Do this in memory of Me, until I return to the world".

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

Amen.

This is the Body and Blood of Christ, Our Lord, blessed are those who are invited to avail themselves of this Sacrament of the Altar, because He has promised us eternal happiness.

United to the Holy Trinity, the Father, the Son and the Holy Spirit, and before the Presence of the Mother of God, by the triumph of Her Immaculate Heart, we will consummate this consecration through the Our Father.

We invite everyone at this time to also offer their lives as an act of reconsecration to the Immaculate Heart of Mary so that the pure intentions of the Mother of God can be fulfilled and carried forward through our redemption.

Prayer: Our Father.

Through the Immaculate Heart of Mary, we announce the Peace and Love of Christ to the whole world.

*"Lord, I am not worthy that you should enter under my roof,
but only say the Word, and I shall be healed.
Amen".*

Through the blessing of Our Lady, we are going to announce that Peace to the inner Christ of each brother and sister present in this meeting with the Mother of God with a subtle reverence, greeting the inner Christ of each brother and sister.

Together, with the Lady of the Most Holy Rosary, who is the cause of our joy and devotion, we announce Spiritual Communion for our brothers and sisters around the world.

*O my God, I believe,
I adore, I wait for and I love Thee.
I ask pardon
for those who do not believe,
do not adore, do not wait for and do not love Thee.
Amen.*

My Heart gathers the offers of those who are willing to live My call.

May the peace of the Kingdom of Lys-Fatima fill this world and alleviate this humanity, in union with all the angels of Creation.

I thank you for responding, once again, to My call.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

We can go in peace.
