APPARITION OF THE VIRGIN MARY, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

I am here today for a spiritual reason. Today I am here for humanity, but also for the consciousness of the planet, for the soul of this Earth so that one day it may fulfill the Purpose of the Celestial Father.

But this humanity, although it has deviated, does not cease to be filled by the Grace of God, by that which comes from His spiritual and divine Source. From this place comes the Celestial Mother. From this place comes the Sacred Heart of Jesus, as well as all the angels of the universe, who guard and protect Creation.

In this vast universe that you do not know, called the Material Universe, there are points of spiritual inflection. This planet that was thought of since Genesis for the Project of God, throughout time and through the different races, which we call different humanities, has become at a point of inflection.

But, in all this, there seems to be something controversial, because this planet, to which you belong in this lifetime, was especially created for you, among so many planets in the universe that were also thought of to develop a similar Project, projects that were not successful.

So, My children, think about how important it is to transcend duality through transparency, truth and purity, these attributes that come from the Source of Love-Wisdom, the Source from which you also came, since you were tiny molecules of Light in the Lakes of Universal Creation.

Why did God, our beloved Father of the Universe and of the Earth need, in this local universe, for a civilization of Christs to exist?

In order for that to be possible, but also so that the human project would not become lost, as it was about to be lost more than two thousand years ago, the Eternal Father humbled Himself and incarnated through His Son upon this planet, bringing for all the lesson of Love and Forgiveness.

I need, My children, that you keep in mind, at this moment and under this planetary circumstance, that the Project of God for this humanity must still be fulfilled.

For this reason, My Son gave Me each one of you at the foot of the Cross so that, throughout time and throughout the generations, you could be partakers of the Plan of the Creator, not only by living it but also by knowing it, by loving to discover the mystery of Creation, which still waits to be revealed in the Return of Christ.

Dear children, throughout all these years, we have lovingly tried for souls to understand the meaning of the Purpose, the reason and the existence of being here at this moment and of knowing,

beyond the circumstances or situations, that you have come to Earth for a Higher Purpose, a Purpose that you have yet to love in order to one day be able to understand it.

God is so humble and simple that He reveals His Mystery only through those who love, and not through those who want or aspire to possess something. This happened to Me, I loved the Will of God, I believed in His Will, I protected the Will of God from any situation or circumstance, I fulfilled the Will of the Father knowing that, beyond everything, there was a deep Will to be carried out and accomplished, through the incarnation of the Son of God.

You, as children of the Eternal Father, are a part of that Divine Will, but each one of My children has a small part of this Will to fulfill and carry out.

When this Will is not fulfilled, and is not carried out, humanity suffers because it drifts away from the truth but also from the simplicity of life, it drifts away from the love that can understand, in oneself and in others, the most unknown situations and even the most unacceptable situations.

It is Love that allows the concretization of the Plan of the Creator. It is by living in this Love and under this Divine Love that your lives will be free to concretize that which the Father has expected for so long since the origin of your essences in this vast and infinite universe.

Many of My children may have thought, at some moment, that everything we say is unattainable or will never be concretized, but where is the sustenance of faith? Where does the faith of the believer rest? What is it that feeds the faith of each being so that it has enough strength to move forward and not give up? It is Wisdom that grants them understanding and discernment and it is Love that reflects the truth and the purity that will allow them to be in God, regardless of what happens.

The world has erased these attributes from its mind and especially from its heart. The invasion of technologies, the hypnotism of minds, the blindness of the hearts that do not feel and do not experience God have established the culture of indifference, and this has become deeper and more serious, leading many peoples and nations to be insensitive to the hardships of those who suffer as immigrants or those who are exiled in these times.

This culture of indifference has established the culture of discarding among brothers and sisters of the same race and civilization, and what is hidden in all of this is My adversary, who increasingly encourages the appropriation of wealth and tempts those who believe that they are powerful to control the world.

But God will never confront these situations. Know how to contemplate His sacred strategies through prayer and do not give up, do not desist and do not allow yourselves to be deceived because the triumph of My Heart and the Return of My Son are yet to be fulfilled, and your lives must be this path, but also this trajectory upon which the Eternal Father Himself can write this spiritual and deeply internal victory in the hearts that believe in His Kingdom.

My Son, in the solemnity of the month of the Sacred Heart of Jesus, sends Me with this Message to the world so that My children may know, comprehend and understand that a time of solution and hope will come. A short time that will allow hearts to rebuild their lives and their families, and prepare for the last time of the Apocalypse.

Because it is at that time and at that moment that My Son will return, a time that is not far away for you. For this reason, I have had to wait these last twelve years of building this Work with you and for you to be able to tell you this, all that I announce today through My Heart.

Some internal Places of the planet work tirelessly, through their Hierarchies, to help in this transition of humanity. Know that all efforts are being made, all sacrifices are being fulfilled, all surrenders are being offered so that humanity can sustain itself in this cruel battle of the end of times.

And you, through the Rosary and prayer, have to win this battle within yourselves because, at some point, as many of My children have felt in these times and especially in this last year, they had to face their own inner battle in order not to leave the path of Christ and not to leave My Son without His pillars upon the surface of the Earth.

Understand, in this symbology, the complexity of these times, the true need for the spiritual and universal Hierarchy. And, above all, understand the meaning of what is really happening in these times and not of all that is said in the world.

May your hearts be sensitized with My Words, to not only listen to them but to also internalize My Words in the heart, a safe dwelling for being in God. Many dwellings are extinguished in these times like a weak flame that disappears by itself and, in many cases, a weakened flame that is extinguished with the strong winds of adversity.

But I bring you this spiritual oil of the anointing of My Son, which will make you ignite your spirit and your heart through the flame of the faith of My Immaculate Heart so that you feel protected and sheltered by Me because what I still expect is only to take you to God.

My Immaculate Heart is your fortitude and the direct path towards God. Do not forget, My little ones of the whole world, to enter My Heart so that I can enter even more into your lives and consecrate them to the Will of the Father.

I am that perpetual Mother who loves you, protects you and accepts you. I am the Slave of the Sacrifice of God. I am the one who will always lead you to God through My Heart.

Meditate on My Words so that My Words may be little seeds of Light in your consciousness, seeds that can germinate in the future so that one day they can bear the fruits of redemption and peace.

For all this to be possible, I come to ask the world that, through each exercise of prayer, peoples and nations be reconsecrated to the Sacred Heart of Jesus. Just as it was in the month of May, when many of My children, through the Holy Rosary and the Sacrament of Communion, offered reparation to My Immaculate Heart; I am very grateful that My children made the effort, beyond the pandemic and the suffering of this time, to repair the Heart of the Mother of God so that the Father grants the faithful Servant the infinite abundance of Graces and Mercies for those who need to step out of suffering and earthly hell.

For this reason, I thank you again, and, in the same way, I invite you, My children, on this day, through the Sacrament of the Eucharist that we will now celebrate for everyone, to carry out the exercise of a loving and true reconsecration to the Most Holy Heart of My Son during the current

month of June and every day for many, many souls throughout the world; so that His authority and Spiritual Government may finally guide the planet and humanity; so that the forces of evil that My adversary rules may be removed from the planet and the souls may breathe the joy of again finding the Kingdom of God within each heart.

I am here, and I am your Mother. I reach out My hand to you so that you may hold it tight and walk together with Me in the primary service of the spiritual reconstruction of this planet so that the Sacred Fountains of the Universe fill the Earth with spiritual abundance, Grace, Forgiveness, Love and much, much Mercy.

We will also offer this Sacred Eucharist, this important celebration, as the Mother of God prepares to bring Her impulses to Europe in the upcoming months. so that the Light of Fatima, the Light that will always lead you to peace, may submerge the whole world and especially Africa, so that healing and forgiveness may be established for all souls who suffer exile, slavery, death, hunger, disease and desolation.

My Heart is still patiently waiting to reach Africa and, somehow, I will do so, and you, My children, will be My helpers for this to happen, because before My task with you ends, I must fulfill the promise that I have made before God for Africa.

So when this is accomplished through your help and collaboration, My task will have been consummated.

Let us ask the Holy Spirit, Supreme Source of all Feminine Energy, Supreme Source of all Universal Motherhood, to grant the impulse of the reconsecration of hearts to the Sacred Heart of Jesus, and also to establish the spiritual strength that the mothers of the world need to guide their children towards God, as mothers, servants and servers of the Universal Mother.

Let us celebrate, in Christ and for Christ.

Friar Elías del Sagrado Corazón de Jesús:

At the feet of the Immaculate Heart of Mary, responding to Her request and Her call, we prepare ourselves, in the simplicity of the heart, to celebrate this Sacrament of Reconciliation and Love, which Christ, our Redeemer, has left us.

Let us ask for Grace, in the presence of the Virgin Mary, to make us humble and worthy of this unfathomable mystery of Love that Christ offers us through the Heart of His Mother.

May our mistakes, omissions, faults, indifferences and all the situations that have, for any reason, separated us from God, be dissolved through this Sacrament of the Altar that, together with the angels of the Virgin Mary, we offer, as an act of reparation and reconciliation before the Sacred Heart of Jesus.

We invite those who can to kneel down or stand up in an act of reverence before the Presence of the Immaculate Heart of Mary, Mother of servers and of priests.

Let us ask the Most Holy Virgin, just as it was at Pentecost, to give us the Gifts of the Holy Spirit so that we can fulfill the Promises of Christ.

Our Lady has knelt down before the Blessed Sacrament, that we will now celebrate. Let us ask for Her blessing.

On that Holy Thursday, moments before Jesus was handed over to live that great sacrifice of love for humanity, Our Lord took the bread, raised it in thanksgiving and asked the Eternal Father that the bread be transubstantiated into His Divine Body. Thus, Jesus broke it and, offering it to His apostles, He said to them: "Take it and eat it, because this is My Body, which will be given up for you for the forgiveness of sins."

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen.*

In the same way, before finishing the supper, Jesus took the Chalice in His Hands and offered it to the Creator so that the wine could be converted into His precious Blood. Thus, He offered it to His companions, saying to them: "Take it and drink it, because this is the Chalice of My Blood, the Blood of the New and Eternal Covenant, which will be shed by your Redeemer for the remission of all faults. Do this in remembrance of Me until I return to the world".

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.*

Amen.

Behold the Body and Blood of Christ, the One who gave his life for us, who gave his life out of Love.

United with our Most Holy Mother of Heaven and the angels of the universe, we offer the prayer of Our Father to consummate this consecration.

Prayer: Our Father.

We announce the Peace of Our Lord and the Peace of Our Lady.

*"Lord, I am not worthy that you should enter under my roof,
but only say the Word, and I shall be healed.
Amen".*

In union with the Immaculate Heart of Mary and the Sacred Heart of Jesus, we announce the Spiritual Communion for all our brothers and sisters on the planet in this act of reconsecration to the Sacred Heart of Jesus, through three bell sounds.

*Most Holy Trinity,
Father, Son and Holy Spirit,
I adore Thee profoundly.
I offer Thee the Most Precious Body,
Blood, Soul and Divinity
of Jesus Christ,
present in all the tabernacles of the world,
in reparation for the outrages, sacrileges and indifferences
by which He is offended.
And by the infinite merits
of the Sacred Heart and the Immaculate Heart of Mary,
I beg you the conversion
of poor sinners.
Amen.*

In the joy of the renewal of faith, I rise to Heaven with this concluded offer from all the hearts that commune with Christ so that the Father of Mercy and Peace may descend these Attributes upon humanity.

In the spiritual Light of the Sacred Heart of Jesus, I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

And as an offer to this month of the Sacred Heart of Jesus, our brothers and sisters of the choir, at the request of the Divine Mother, will close this meeting through the song "Holy Communion" so that the Sacred Eucharist, like a divine and spiritual sun, may always shine with its Light within us.
