APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

When a Work like this, at a place like this, again gathers all its members, all those who consciously participate in the Work of the Hierarchy, have you ever wondered what could happen?

I come with this Message so that you can understand the culminating moment of the planet, a moment when all the Spiritual Hierarchies gather and congregate so as to tend to the situation of the surface of the planet, not only of its souls, but also of nations and all continents.

Aurora is the preamble to this great moment. Do you understand what I am telling you?

A Center like this cannot remain unnoticed on the spiritual plane. For this reason, the Great Portal of Aurora, at this moment, is open before My Presence. From the origin, from where it emerged in the Universe, up to this moment on the surface, this portal has expanded and opened.

For this reason, I ask you, what could happen at this moment, when certain retrograde forces on the planet subject souls and the very important nations of South America? Because they know that South America is the preamble to the New Humanity.

However, now place your attention and, above all, your heart, in what has been built, in that which has been conceived, from the spiritual plane all the way down to the material plane, through this Work.

Once again, I invite you to adhere to the Hierarchy. I invite you to be aware of this moment, because the powerful presence of Aurora dissolves all chains and currents of evil, and places souls and hearts in the Purpose, in a way that their debts no longer weigh on them, their guilt can no longer make them sink, but rather Aurora places them in the hope and rebirth of consciously living the Plan of God.

Today, I am very grateful for returning to this House, because it was here that all once emerged. It was from here that Aurora gave of itself to the whole world and it will keep doing so for as long as it will be necessary. It will keep doing so while it is a mystery, and until this mystery can be revealed to all, by means of the Sacred Knowledge of the Hierarchy.

Thus, I once again prepare South America for the Arrival of My Son, the arrival of His Powerful Universal Presence.

Therefore, it is important, dear children, that you understand and comprehend, that you do whatever is possible to support My Son in Argentina. Just as you have responded at the Marian Center Sanctuary of Creation and today respond to your Heavenly Mother at this Marian Center of Aurora, that you may also unite to Our Hearts, just as you are united at this moment, so that Argentina may receive the liberation it so much expects and needs.

It is important, My children, that you may be one with that nation, and that you keep within your hearts the Angel that rules that country, because It also needs to liberate Its wings from the oppression of these times.

Argentina must not lose its Spiritual and Divine Purpose, and it is the great mission of the entire Planetary Light-Network that you may unite as brothers and sisters, and as servers of the Plan, so that this may not happen.

The last time in Fatima we told you about universality. What the Hierarchy means by that is that you may now feel universal, feeling how each place and each space of this planet needs salvation. It needs missionaries, servers and collaborators, and that all of them may respond, whenever the Hierarchy summons them, just in the way it needs. In this way, the Hierarchy will avoid many things that you do not know.

Through the fire that gathers you today, the fire that emerges directly from the origin of Aurora, may you not only be impelled to the liberation of your ties, of the chains of oppression or of evil, but may Aurora also impel you to continue on, in these times of tribulation, when all is at stake on the surface of the Earth.

Strengthen your inner temple. Trust all that the Hierarchy carries out and says and, I assure you, My children, that you will not be without guidance, you will not be disoriented. See how disoriented humanity is at this moment, to what extent that guidance and instruction lack within hearts.

But you have had a special and inexplicable Grace, the Grace that Aurora has given you, of persevering, of living each lesson as an opportunity to take a step to fulfill the Purpose of the Father.

I want to tell you something else, My children, because this is the moment: the Heavenly Father, today, has felt your joy, the joy of each heart present in this place and the joy of each heart present through this means of communication.

This strengthens the supplicating network of the planet, sustained by great Hierarchies and Consciousnesses of the universe, who untiringly work for the establishment of peace and love.

Therefore, feel that you are a part of this great moment. May your voices become supplicating voices, souls that do not retrogress, in spite of the harassments of evil in consciousnesses that fully serve, despite the chaos that surrounds the planet.

I ask you, in these times and through Aurora, for absolute steadiness of heart and purpose.

Now that you can be closer to Us, after these last years of lessons and tests. I tell you all and those who listen to Me: do not waste a moment, because there will be no others.

This is the time to prepare the Return of Christ.

For this reason, once again, We demonstrate the trust of Our Three Sacred Hearts within each one of you. And We re-approach your consciousnesses so as to re-approach the whole world, where there still are great knots of spiritual consciousness that need to be dissolved and liberated from this planet, through all prayerful souls that want to join the supplicating network of the universe.

When you place your voices and hearts in prayer, when, in spite of the experiences or the tests, you remain firm and sustained by the prayer of the heart, I assure you, dear children, that you will be

united to the supplicating network of the universe, the spiritual network of the Hierarchy, which, in these times, needs to intervene in this humanity and in this planet.

Therefore, do not doubt, but rather follow the steps of the Divine Messengers wherever you go, because, in this way, you will help the Celestial and Spiritual Hierarchy in all that must be avoided.

How important this moment is, which We are experiencing together!

How important this moment is, when the Marian Centers have been able to re-open their doors to the pilgrims so that all hearts may have the gift of finding themselves in the Inner Centers of the planet. So that you know that, through each Marian Center, there is an inexhaustible spiritual fountain in which your souls may be healed, cured and redeemed, and you can take within your hearts a spark of Light for your family members and friends, something that you receive here and must learn to share, through retreat, prayer and service.

Thus, We invite you to grow in the spiritual task. We invite you to be part of the working of the tools of the Hierarchies. We invite you to be persevering and consequent, just as now. May you realize that, beyond each one of you, there is something more important that the Hierarchy can do, when It can appear or announce Its Word, in this place just like in others. And, in your prayers, My children, do not forget those who have stayed behind, do not forget your brothers and sisters that have not understood Our message and Our action, because the merciful and healing Love is for all, regardless of their errors or their inconsistency.

You must still discover the immensity of God's Mercy. Therefore, I am here as your untiring Mother, as Saint Mary of Aurora.

On this day of Vigil of Prayer, let us prepare this offering, not only for the situations of the planet and humanity, but also for all those situations that need an urgent solution. The solution that can only come from the Divine, from the soul that is sincerely united to God, to His Fountain of Grace and Mercy.

Now, place your inner offering within My Heart for this task that the Hierarchy will carry forward until the end of the year, when souls will have the opportunity, through Our Hearts, to be renewed and know that hope, faith and love must not disappear from the hearts that trust, from the serving hearts, the hearts that love God beyond everything.

Tomorrow, Aurora will re-ignite again, preparing the great meeting of the servers of this Work. I want you to know, My beloved children, that, in this special and extraordinary conjuncture, Our Hearts, the Sacred Hearts of the Divine Hierarchy, will be attentive to each step of this meeting, and for the response of those self-summoned to be sincere. The Hierarchy expects this.

Let us ask the Celestial Father for the Grace of continuing to be consistent with His Call and His Summoning, and may the Light of God, sustained by His Love and Unity, always show you the truth that you need, in order to take steps trusting His Eternal Heart.

I thank you for responding to My call. I will thank you even more for responding to the call of My Son, for His special task and mission in Buenos Aires.

I bless you, in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

At the request of our Mother, we will sing a canon of Aurora: "Kingdom of Love, Kingdom of Forgiveness," so that Healing, Love, Light, Mercy and Unity may be in hearts.

Friar Elías del Sagrado Corazón de Jesús

Brothers and sisters, I would like to share with you what happened during the Apparition, as the Divine Mother considers it important that we may understand what is happening.

We can see that here in Aurora everything is very intense, and the Divine Mother said that it is part of this movement and we should remember that August is a very important month for the Spiritual Hierarchy, because an unusual conjuncture occurs during this month.

The Hierarchy was explaining to us that, from the spiritual, inner and even energy point of view, the conjuncture of gathering so many consciousnesses at service of the Plan, in this meeting that the Hierarchy carries out in August, makes it inevitable that many movements should take place in different planes of consciousness, and we are all within this conjuncture.

This is why we may all be feeling many things or going through some experiences, and we may not understand why. But the Divine Hierarchy explained that the situation that is taking place from today on, here in Aurora, inevitably generates many movements because the sensitivity of the planet is very high in these last times. Therefore, all may have felt great sensitivity in different situations, at some moment or in this cycle.

What we want to explain is that today the Divine Hierarchy brought us the origin of what we call the Kingdom of Aurora. And for our consciousnesses, while being before this origin, means many things, and for the Hierarchy it means an important spiritual effort, because it is as if we were before a Spiritual Source that is a mystery, because Aurora continues on as a mystery. And this mystery is represented or expressed through this Marian Center, this Light-Community.

So, the Divine Mother explained to us that since the beginning of the Apparitions in 2007, all of us gradually have participated in different cycles of Aurora.

Today, August 24, 2022, we are in a unique cycle, because not only are we receiving this direct impulse from the Spiritual Source of Aurora, but also from this part of the planet, the Southern Hemisphere, is also receiving it, for all situations that each one of you know are happening throughout Latin America.

This first impulse took place on the last 21st, in the Marian Center Sanctuary of Creation, through the Aspect of God that the Divine Messengers brought, El Gibbor, which represents the Warrior Aspect.

So, it is important that we may try to accompany the Hierarchy in what it is being built and happening, and that we may understand why this Aspect of God that is descending and not another one.

Added onto this task that the Divine Hierarchy is carry out today is the fact that our essence, our soul, our spirit and also our physical being, through the Apparition of Mary, have been before this Original Source of Aurora.

Since Mary appeared until She left, important situations of the planet have been dealt with by the Hierarchy, for example, Ukraine. Afterwards, the Hierarchy concentrated on Latin America, as in the proposal that it presented to us. And we know that the Hierarchy, through Its omnipresence, worked with many situations at the same time.

So, we would like to tell you this because Mary asked us to, so that we may begin, as from now, to accustom our beings to the voltages that the Hierarchy will bring, which will increase, especially from today up until the end of August.

When the Divine Mother asks us to remember the request of Christ, of accompanying Him in the Marathon of Buenos Aires, as She said today in the Apparition, it is because the whole Spiritual Hierarchy will be working with Argentina through the Inner Centers of the planet.

Therefore, it is important that we may know that not only will we be on pilgrimage and carrying out this task of the Marathon in Argentina, but also all the Hierarchies will be accompanying this movement, because it is an emergency.

To conclude, we would like to tell you that Mary said that the Hierarchy will be grateful to those who can be present in Buenos Aires, supporting the brothers and sisters of Argentina in this task. And those who cannot be there, the Hierarchy also thanks them, because we do the task through our inner worlds. And wherever we are, our hearts will have to be ignited there, for Argentina.

So, the Hierarchy is guiding us, in these times, to be aware of the task of the Brotherhood.

May we accompany the Hierarchy where It needs, because our conscious and steady support, according to the Divine Mother, is that which justifies, before the Law, all that the Hierarchy needs so as to intervene, help and aid.

In synthesis, this is it. I hope I have not forgotten anything.

Mother María Shimani de Montserrat:

We are all invited to accompany the Divine Messengers and our brothers and sisters of Argentina, at this very important moment that they will live, together with the Divine Messengers, when this entire nation will be able to be helped and aided, so that a little support and order may descend upon this nation.

As Friar Elías was saying, those who, for any reason, cannot be present, only have to connect internally in a true way, as if they were there, really accompanying and participating in all the support which that nation will receive, at the moment when a very difficult transition is experienced.

From Aurora, this Kingdom of Love, where the Archangel Rapahel created this wonderful space for the inner and spiritual healing of all Creation, a small space that God found, filled with beauty, we tell the whole planet, everyone, that Aurora is available to all. That in this small Kingdom, you will always be able to find inner healing, just by thinking of this Kingdom, feeling this Kingdom. And

that some mysteries, as the Friar said, will someday be revealed to all.

We see you tomorrow again, to meet our Divine Mother, with all Her Angels, with all the Hierarchies of Light. They follow the Divine Messengers wherever they go. And we will just thank our Divine Mother, and prepare ourselves to meet Our Lord.

Thank You, Divine Mother, for all that You give us!

In the name of the Father, the Son and the Holy Spirit. Amen.

Thank you all!
