SPECIAL APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE CHRISTMAS EVE VIGIL OF PRAYER

In the name of the Father, the Son and the Holy Spirit. Amen.

As the Lady Who waters the Sacred Figueira with Her Light, today I come to meet you, dear children, to strengthen its original principles, to make its attributes, gifts and virtues flourish, and so that this Grace may multiply beyond this place and in all places of the world. Because you know that humanity needs to recover the Principles of God, which it has been gradually losing throughout time.

For this reason, God revealed the Commandments to Moses, the basic and essential Laws for evolving and awakening, so that each creature of the Earth, by following these Sacred Commandments, might learn to live and apply the Law.

Our Sacred Hearts work on this in the face of a hostile and uncertain planetary scenario.

Today, the Sacred Family draws near the world so that the values of faith, love and unity may be present within each one of you and your brothers and sisters, mainly in the places and consciousnesses in which these spiritual values have disappeared.

This is why I come to water the Sacred Figueira with My Light. It has borne many fruits throughout time and years, and this has not been in vain, dear children, because there is a Higher Purpose that has congregated many souls and hearts here throughout time, who follow a spiritual and inner call that makes them contemplate and recognize the Sacred and Solemn Figueira in each one.

The Spiritual Hierarchy gathers at this moment, also to protect and help families, so that they may not be exposed to the dangers of the world or to the interferences of these times.

For this reason, the work of prayer in families must continue, nourishing the spirit of the members of each family, opening the door of Heaven so that the Higher Grace may descend, mainly upon the families that need it the most.

This will create an important network of prayer in the world, just as the Rosaries of Light must be. I want these groups to multiply and, above all, to be strengthened. In this time, living without prayer is a condemnation.

I am not speaking about a repetitive or mechanical exercise. It is your hearts that must be in an attitude of perpetual prayer so that you may be well connected with the higher planes of consciousness, and the Wisdom and Discernment of God may continue to guide your steps toward the goal that each one has to concretize: being a servant and apostle of Christ.

Today, Our Sacred Family of Nazareth presents itself to the world on the inner planes so that you may be internally touched by Our Simplicity, Humility and Love. Because without these attributes and foundations in this time, in the face of so many threats that the world lives, I confess to you,

dear children, that it would be impossible to carry out a work.

Accept the time of correction as a Grace. Can you imagine how many times My Son corrected the apostles?

Life must always be aligned with the Law, so that the Will of God may be followed, just as He has determined it since the beginning.

At the foot of the Sacred Figueira, the Spiritual Source of God is being opened again. Have many of you recognized this wellspring?

Therefore, purify yourselves, cleanse your hearts and lives, and renew yourselves through this impulse that My Immaculate Heart brings to you; because just as We have said to the world, Our task is now coming to an end because the expected moment of the Return of Christ is drawing near, with clear and forceful signs.

For this reason, do not give up, do not be lukewarm. Prepare yourselves for this moment that is coming.

This is a time of profound confirmation. This is the hour when My Son, through His loving Gaze, contemplates those who are confirming themselves to His Heart, because the apostles themselves experienced it in that time, just as the holy women also experienced it.

Christ wants you to be completely different. He needs to continue molding your consciousnesses. This is the Message that He sends to you today. Will you allow it and not resist?

Our Words must not be wasted. They reach you and the world as small seeds of Light to be sown in the inner temples and this must not be in vain, because the Grace of God must not be wasted either.

And how many Graces have you received from Our Hearts throughout time? Have you been able, at any moment, to measure the immensity of this Grace, in the face of so many disgraces that many souls live?

Be humble and grateful, dispel from yourselves the pride of the heart, for it is a fog that deceives and confuses.

Humble yourselves before the Sacred Heart of My Son, just as He humbled Himself at the foot of the Cross and allowed Himself to be crucified for the world, just as He drank from the Chalice in the Garden of Gethsemane, even though He knew that He did not deserve it.

This is the time, My beloveds, for you to live what you want to profess, that which you believe about God; but let it be with one goal, may it be true and from the heart, without conditions or personal rules, because everything is still to happen on this planet. I speak to you about what is still to happen as Grace and Mercy of God.

My Son needs pure instruments, free of personal intentions, of personal wills. As a Mother, I will not tire of saying this to you, because it is the same that I repeated to the apostles in the Cenacle, and your Celestial Mother wants good and peace for each one, under the sacred spirit of the Unity of God.

In truth, I tell you in the name of My Son that in this time there is no other path to follow but the one toward the Heart of God. Each one was placed upon the path that they must tread, but not upon a path chosen by you, it is the path of God and you must not become confused with this.

Because God wants you in the happiness of His Kingdom, in the universe of His Peace, and not in the suffering that you choose. The Will of God cannot be altered. If this happens, My children, you will be living your own will, the human will. Therefore, do you understand how the world is today?

Before so much Grace and universal Mercy, why suffer in this time?

But I also know that there are souls that suffer unjustly in this world through wars; they are the innocent of God. This is why We Ourselves, the Sacred Hearts, take care of and help these suffering souls; but you are not suffering souls, you are souls that have had direct contact with My Grace and the Grace of My Son, just as with the holy humility of Saint Joseph.

Have you ever thought about this? Therefore, to perceive it, it is necessary to be in an attitude of humility and resignation, just as your Heavenly Mother was before the call of the Archangel Gabriel.

Thus, I come to bless the families that during these nine days have prayed the novena for their reconsecration to the Sacred Family of Nazareth so that each one of the prayerful families may be this mirror of the Sacred Family and, through the lessons and life experiences, they may come ever closer to the spiritual archetype of the Family of Nazareth. This is possible when you are in prayer and in family.

The spiritual and the human family of the surface of the Earth have the need and necessity to be rebuilt in its values, its purpose and also in the Will of God for each family; because each family must reflect a gift and a virtue of God that may purify the members of this family, consecrate them and align them to the Will of God.

Each family is a cell for God; a living cell that must embody, in itself, a purpose that is already written. For this reason, today I also come to pray with you, as the Mother and Lady of the families of the world, so that you may be a mirror of God on Earth, something real, true and attainable; a purpose that may be concretized through clarity in intentions, on the path and in the destiny of families.

Thus, let us pray to God for the sacred intentions of Christ, in this hour and through this Message, because the Source of Grace is now withdrawing so that the portal of the holy and wise Justice of God may open, filled with His Eternal Love, which will place all of humanity in order, peace and harmony.

And you must support this, you must be pillars so that My Son may work. He counts on this.

Friar Elías del Sagrado Corazón de Jesús:

May those who have offered themselves to be Children of Mary today draw near here with Mother Ana Catalina, at the foot of the manger, to experience their moment of consecration.

And let us support this moment so that we may also renew our vows as Children of Mary.

Each one will receive their T-shirt of Child of Mary and will place it upon the palm of their hands, as a sign of offering to the Immaculate Heart of our Mother.

And after this moment of consecration, which Our Lady will carry out, you will be blessed through incense, water, and the Sacrament of Anointing.

In the silence of your hearts, make your offering to our Mother.

Dear children, God does not tire of giving His Grace and Love to the world. And it is through this Grace and this Love of God that spring today from My Maternal Heart, that I also come to consecrate you as My children, the Children of Mary; and I accept your offering to this consecration; so that, from now on and for the times to come, you may be pillars of prayer on Earth, flowers that will be offered in My Celestial Garden in prayer, service and full charity for those who suffer and need the most.

And so that all this offering, which you will make in the coming times, may amend the sins of the world and mainly the outrages of war, this will be your mission as Children of Mary, do not forget it.

By the authority that My Son has granted to Me, in the name of the Eternal Grace of God, which springs in an inexhaustible manner from His Supreme Source, in the name of the angels who accompany Me, I bless and consecrate you as My Children, Children of My Maternal Heart.

I accept you!

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Let us sing "Land of Mary" to accompany this moment of blessing.

**Figueira, the name of the Light-Community where the apparition took place, means "Fig Tree" in Portuguese*
