APPARITION OF SAINT JOSEPH IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TRANSMITTED BY THE MOST CHASTE SAINT JOSEPH, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús reads the [daily Message of Christ Jesus of December 16, 2013](#).

Mother María Shimani de Montserrat:

It is very important that we are able to consciously collaborate with this task that Christ wants to carry out; because we all have loved ones who are not here, who are in the world, and we all know that many of them are not participants in this union with Christ; that they are involved in normal, common life, and that they are being stalked by all these energies that Christ today wants to remove from this world. He asks for our support with prayer, so that all this can be released from this planet. Therefore, it is not an ordinary Christmas eve.

So it is important that we all are aware of what is happening. Probably, we won't completely understand this event, especially the scope of the Words of Christ; because our consciousnesses are not used to this spiritual movement; but without a doubt, after some time, and mostly when we are at a different time in our life, on the other side of life, we will clearly see all the happenings in which we have participated.

And so, in faith and in devotion, let us unite today with Christ, the Redeemer, and let us give our prayers to Him, pleading for all those who are far from God, all those who are not in their family, who are alone, who don't have food like us, who have no joy like us, who don't know how to pray or sing, and those today who also, in the middle of these festivities, will be led erroneously into remaining far from God.

So with all this in our heart, let us very lovingly pray.

Friar Elías del Sagrado Corazón de Jesús:

At this moment, let us give thanks for the Presence of Saint Joseph with the Child Jesus in His arms.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of Saint Joseph:

On this night of peace, I also get together with My children, bringing the portent of the new time of peace. A peace that will heal your hearts and wounds so that a new being may be born, full of the Holy Spirit, of the precious Gift of the Love of God.

Today I come together, in this manger of the world, with My most chaste Light, illuminating all the beings that are on Earth.

Today I bring you the present of My adoration, the adoration that I achieved for the Child Jesus, on understanding all the mysteries that God revealed to Us in Bethlehem, before the Passion of Jesus.

That is why, on this night, I bring you the codes of My fatherhood, the Light of My Most Chaste Heart, the profound Love of My Heart for all the souls that live on Earth and follow this Sacred Mission.

I will bless you, also on this night, so that in your hearts, you gather up the fruits of the Sacred Family.

At this moment, I would like to address My most chaste Words also through My daughter Lucía.

Sister Lucía de Jesús transmits the Words of Saint Joseph:

May My Presence this night be a symbol of union with your hearts, of the union of the Sacred Family with sacred humanity, which today is being renewed in light of God.

I want to thank you for having opened the door so that not only My Presence, but the Presence of the whole Celestial Kingdom may be in your lives today.

Dear companions, just as you affirmed, you are My companions on the path, through whom I will labor and serve the world. Always remember My most chaste Presence at your side, of the power of My intervention in the face of situations where you need aid. Count on My Presence in each instant of your lives, and My divine blessing will descend over all of you whenever you call Me.

Today I bless you, and as I did on the night of the birth of Jesus, I receive you into My arms and place you in God so that you may fulfill the mission entrusted to you in this time.

Count on My Presence. I thank you.

Also on this night, I bless all the Marian Centers that follow Me with their heart. May you be in prayer, because My Presence will also be with each one of you.

Let My daughters of the Holy Spirit wait for Me with joy, for I will be at their side.

Let My dear companions of the Marian Center of the Child King celebrate with Me today on My intercession at the Birth of Christ, because to this dear Marian Center of Mine, I come in a special way, placing in each of My children the Christic molecule that was entrusted to Me.

And in My beloved Marian Center of Figueira, may you also receive My Presence, which is there permanently, accompanying each of My companions.

Today I am here to unite all the missionaries of Christ, those that accompany Me on Earth, that made themselves available to follow the steps of Christification; for on this night I tell you that, just as I accompanied My Son and prepared Him for His public task, I come in this time to prepare each of you for the end times.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of Saint Joseph:

To My friends this night, I leave the blessing of the Sacrament of the bread and wine, so that you may inwardly commune with the Child King.

He is being born, and will be born in your hearts through this Communion.

I thank you and go in peace.

Friar Elías del Sagrado Corazón de Jesús:

In the name of the Father, the Son and the Holy Spirit. Amen.
